Conestoga will hold a lot of our memories in our minds forever. In our time at 'Stoga we would have spent approximately 4200 hours of studying and partying. Our school days begin at 7:45 a.m. (a.m. means almost moving) and ends at 2:45 p.m. In between we encounter many exciting and thrilling experiences. Many of the SENIORS will encounter a phase known as, senioritis toward the beginning of spring. Having been accepted into a college - the summer time is near - the Senior Prom is only a few weeks away and the smell of graduation is in the air. As it begins to hit, anxious and ready to go - Seniors are ready to hit Senior week and graduation - MOVING ON. Beginning life all over again moving on to new and better horizons.

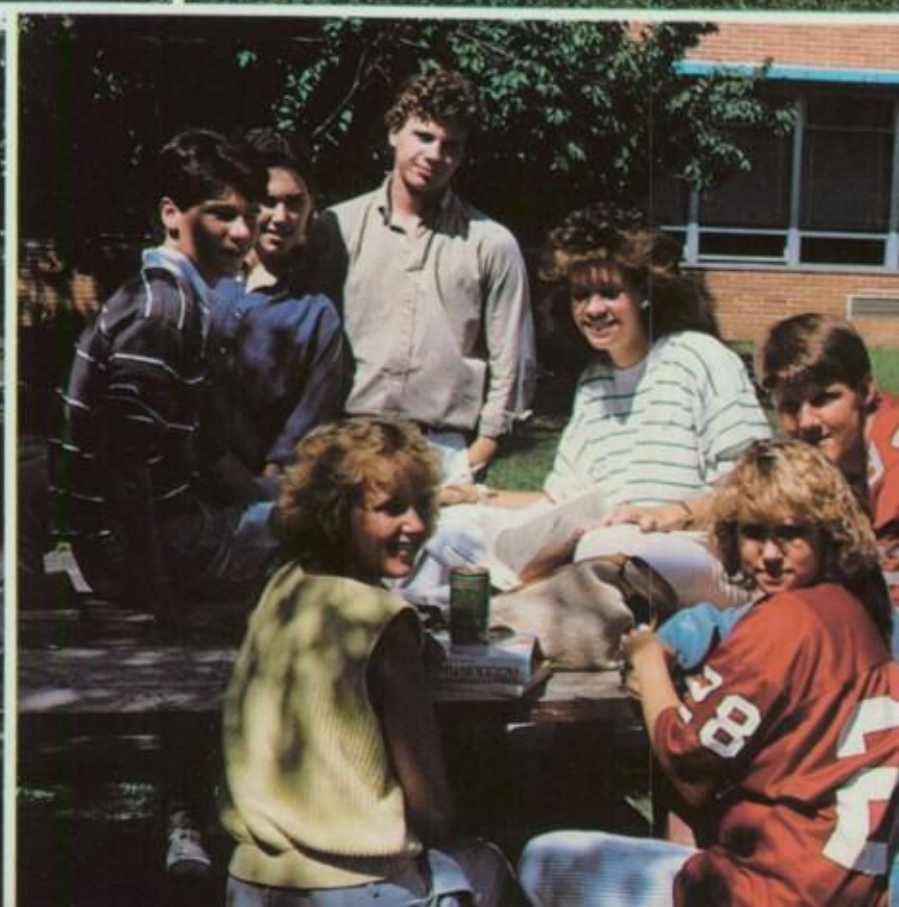

## Good Old 'Stoga

The court yard - a place for everyone! All of use can enjoy it at anytime of the day. Many of us are found out in the court yard throughout most of the year. Some of us (who can tollerate the cold) can even be found out there during the winter time. - Sun bathers - yes, we have them also at the beginning of the year and towards the end. The courtyard is a place of rest and relaxation and a place to forget about your school troubles. Everyone enjoys the courtyard - yearround.

## The Courtyard - Year-round

Many of the good times we had were at Rose's Cafeteria. Opening at 7:00 and closing at 3:00 you can always find it crowded. People trying to find out what homework they have to do by next period, hearing about what happened last night or what's going

on this weekend. Whether you're studying or just having a free period it's always great to just have a snack before a test or after a test. Lunch time, most people would say, is the best part of your school day. A time to relax and forget about your first part of the day or that test you failed third period. If you're lucky you can have fifth period free, which means you eat A,B, and C lunch and if your a senior you are given the privilege to go out to lunch for an hour and a half, either home, the nearest Burger King or McDonalds.

## Our Best Times At Rose's Cafeteria

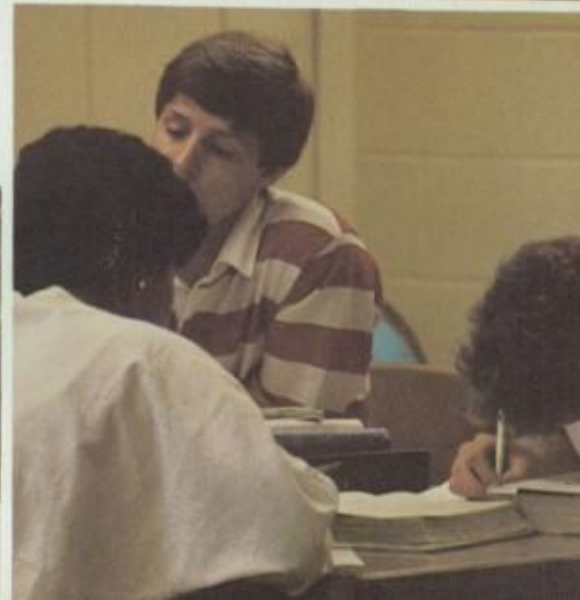

Research papers, essays, bibliographies- sound familiar? A lot of your time was spent in the library doing research for just about everything - or just catching up on some last minute homework. If the cafeteria is too loud for you, - or if you know you won't work if you go there, the library is a nice get-away place where it is always (or almost always) quiet and if you need anything it is there. Ms. Ginther is there all day and is willing to help you. Many of your English classes will sometimes go to the library to work on some project your class is doing. With an excellent staff you can always count on the Zettelmoyer Memorial Library!

## A Quiet Get Away Place

We hear the sound of the bell, the halls fill, lockers fly open, the bus circle fills with buses and students - yes, it must be 2:45. It's time to go home!! Most of us, at the Big C, by the end of the day are exhausted. We are ready to go home and relax, maybe watch some T.V. and then settle and get some homework done. However, more than half of us Conestogian's are involved in part-time jobs, sports, clubs and activities. All of these are extremely time consuming. They usually start during the late-afternoon and go into the evening hours. So for most of us the bell signifies the end of one part of the busy day; it is the beginning of another.

## Going Home - Are You Really?

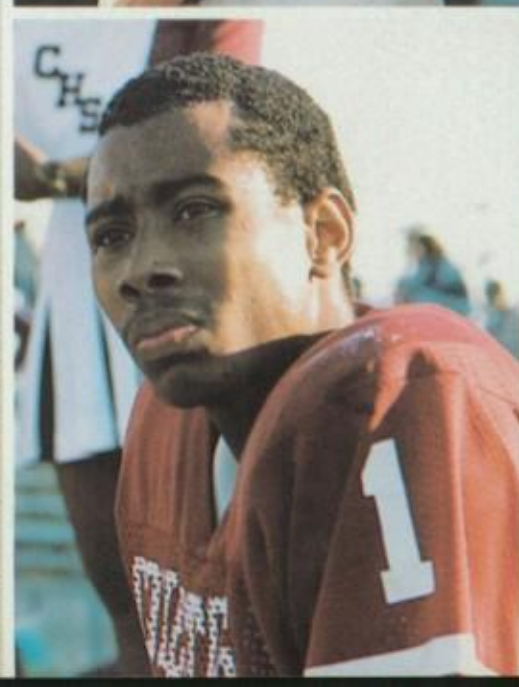

8-36-32: What about your locker that has been with you or will be with you throughout your years at 'Stoga. First day jitters as you were late to class, you didn't know where to go and your locker would not open, or you couldn't fit all your stuff in it! Many decorated their lockers, trying to make them look half-way decent. Your locker - an important part of your stay at 'Stoga - but definitely not the best . . .

Hall of the wild: Who could ever forget trying to walk down the hallways trying to carry on a conversation with some one, in between saying sorry for bumping into every other person. Then the bell goes off and the once crowded hallway only leaves a few wandering people to finish their journey in peace!

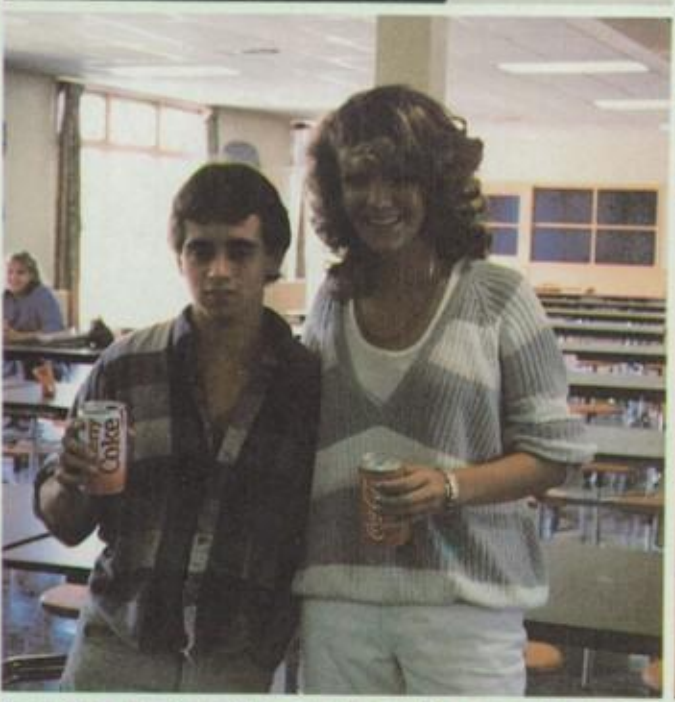

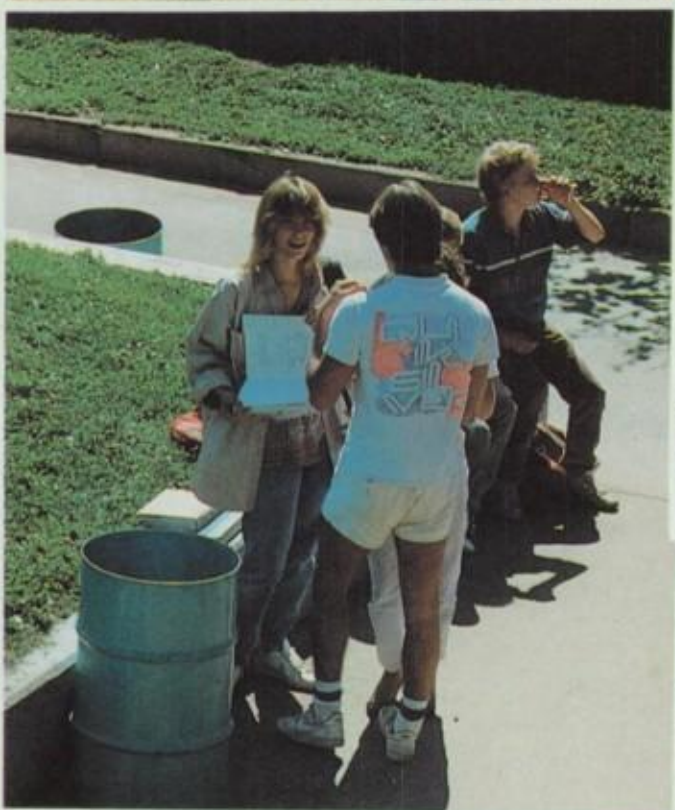

Checking out more than books . . . . 'Stoga holds the perfect opportunity for people to meet people and start a relationship maybe for a few months or even for a lifetime. Each week we see new relationships come and go through tears and smiles, but this is definitely one of the best parts of Conestoga. Weren't there alot of good times this year - Times that can never be forgotten or left behind? No one may know what the future holds, but students can all be sure that the past has been something special.

# SENIORS

# THE CLASS OF '86 . . . OUR HISTORY

Well guys, we are nearing the end of what seems like a lifetime here at the Big "C." It seems easy to say that it seems like only yesterday when we each walked into these tall halls (what big lockers!!) feeling timid and nervous, but actually it isn't. A lot has happened these past three years, and we won't remember parts of it until someday we hear an old song, or smell a familiar scent (Rigatoni perhaps??), or even see an old friend who has become famous, somewhere. We'll think back to those first few moments of life as a Pioneer when suddenly we had SODA MACHINES INSIDE THE SCHOOL (!) and those bells that sounded like alarm clocks went off and signaled us to wake up and struggle our way to the next class.

Our sophomore year kept us busy as beavers, and began with elections. Our class chose excellent leaders by electing Scott Mitchell as Pres., Suzanne Bruce as Vice Pres., Stacy Adams as Sec., and Dave Smink as Treas. For our homecoming court, we picked our best: Bill Benzinger, Jennifer Kelly, Mark Henderson, Kelly Allen, Mark Reale, and Kristin LaMotta.

As for the homecoming game itself, we were lacking in one, . . . well, two aspects. 1) Floats??? Just because previous classes apparently made flimsy, easily-destructable floats, why wasn't the Class of '86 able to display its awesome creativity by designing a float as well? 2) Activity on the "Home" side of the scoreboard was lacking a tad. We did make up for these minor details, however, by displaying our talent at the "Lunch Munch." Unfortunately there was no hackysack that day, but "The Brats" (all members, of course, of the Class of '86) gave a rousing performance that left the entire school clapping & cheering. At the Pep Rally, we knew, as sophomores, that when Mac threw the towel and it dropped to the floor, no matter how loud we screamed, the Seniors would win anyway. That's okay, though, we let them slide that once.

Our junior year started off well, as everyone struggled to get up at 6:15 again (wasn't summer bliss?!). Once again the ritual of choosing officers produced a fine crew: Lauren Wise-Pres., Suzanne Bruce-Vice Pres., Lynn Wolfe-Sec., and Jill Dunham-Treas. Our homecoming court was *on*!! with Mark Henderson, Jennifer Kelly, Cary McClain, Judy Flanagan, Mark Reale, and Kristin LaMotta. The highlights of the year seemed to glow. Even the now extinct "Battle of the Pioneers" (of which no one could determine a winner-ha!-we know the real champs deep down, though, don't we?!) was amusing even though . . . once again . . . the upperclassmen cheated.

Cabaret was a howling success! Mark Sarian, Mike Ferraro, Marc Daly, and Judy Flanagan as the MC's had the audience rolling, and the talented acts held the rest of the show together to make it one of the best Cabarets that Conestoga has ever produced. The play of the year was *Annie*. It may be a "Hard Knock Life For Us" . . . "Tomorrow" (back to class) . . . , but it was "Easy Street" that night for the cast, the crew, and, especially, the audience.

We experienced our 2nd annual "Beach Party" - yet another chance to stare lasciviously at those girls in their bikinis and the guys in their SunDeks.

T-E T.V. News began . . . to rival Action News.

The Girls' Tennis Team broke a 9-year losing streak to Radnor and went on to make headlines as League Champs. The Ice Hockey Club had a thoroughly impressive season on their way to yet another Flyers Cup berth and the PA State Championship. Rival teams were forced to learn the hard way what happens when you play with fire on ice. Our sharks in the water, the Boys' Swim Team, took their then Junior-laden squad to the State Championships at Penn State and came away with tremendous runner-up honors. The Girls' Basketball Team excelled as well on their way to a district championship, and the baseball team travelled to Shippensburg State to garner 3rd place finish in the State Championship. On the national sports scene, the 'Nova Wildcats Hoopsters humbled the experts with their thrilling and valiant NCAA Championship. Not only were this year's sports a huge success, but so was our Big "C" Band and Kickline. We all watched Channel 6 as our high-steppers were featured and earned all-out admiration on *This Is It* - quite an honor for the entire school.

The end of the year came, along with the prom - that glorious night of dreams, where we all met at the Sheraton and told each other how beautiful we were, and then proceeded to dance like never before - ending romantically with a slow one to the theme song "Crazy For you."

A final note as far as junior year goes . . . much thanks to Kieth Morris for finally getting our '86 logo up in the cafeteria!

The big year finally came. The year we all remember as looking toward and thinking, "They're so old!" SENIORS. This was *our* year. Look out Sophomores, it was our turn now! "Who cares - we're Seniors!" That was the phrase and we were all guilty of using it. We began, once again, with selecting officers, and, once again, we elected the best: Lauren Wise-Pres., Suzanne Bruce-Vice Pres., Marci Dupont-Sec., and Jill Dunham-Treas.

Our final homecoming court of Mark Henderson, Jennifer Kelly, Judy Flanagan, and Mark Reale had more beauty, sex appeal, and bubbling personality than ever before, and our King and Queen were two people whom we've respected throughout our high school years - Cary McClain and Kristin LaMotta.

The Senior Variety Show was finally ours, and we let everyone know it. Mike "Flash" Ferraro, Mark "Yorgi" Sarian, Marc "Shecky" Daly, Kris "Otto" Allshouse, Kevin "Scooter" McCormick, and Judy "King of Life" Flanagan as the "Fresh MC's" each used their own brand of offbeat humor to keep 'em laughing.

The play of the year was *Flowers For Algernon* with a memorable performance by Shawn Hazelwood in the lead.

For the first time in years, we dressed up for dances: the Homecoming Dance and the Winter Holiday Dance. We got all gussied up and danced the night away . . . and then dressed down for the Beach Dance. Hopefully, we've rejuvenated the dance scene which has previously been revived far too infrequently.

In the year in sports, the tennis team continued their undefeated track and had the best year yet in their history. The Golf Team followed the trend, and with Carolyn McKenzie being the first girl AND the # 1 player on the team, they carried themselves all the way to States. The Ice Hockey Club increased its regular season undefeated string to over 60 games spanning the past four seasons and also became the latest host of excitement for much of the 'Stoga population . . . always there to lend a cheer . . . ("Munch, Munch, Munch . . ."). The Boys' Basketball Team, the girls and boys swim team, and the wrestling Team all captured Central League crowns. The Football Team, as always, gave it their best, and although they had a rough season, we do appreciate the grueling effort they put forth and the dedication and perseverance that propelled them to a great 14-6 Turkey Day victory over Marple Newtown (what we really respect is their ability to put on all of that equipment, go out in 90 degree weather, and run around for 8 hours during the summer!)

As we edged towards December, the pressure seemed to mount, and we each had everything in the world to do. "What is a significant event that has had some type of impact on my life?" That question burned in the minds of many as we were plagued by college essays, not to mention those awful manila envelopes . . . with the pressure sensitive seal ("Make sure you don't shut it.")

Senior Cut Day finally presented itself to us, and we took full advantage, leaving Conestoga with only 50% attendance.

Just as Senioritis began to settle in, we were each reminded of our new security personnel. "Your yellow card, please?" As for gym class, we all got a little more exercise this year . . . better, by far, than spending the day in suspension, right??

As for the weekends, well, we *made* them weekends. Among others, The Ledge, Mud Mountain, and the discovery of "The Budget" all became high on our list of social gathering places. Those times were filled with laughs, and an occasional run-in with those friendly neighborhood men in blue who, depending upon the circumstances, deemed it necessary to give us THE CORN.

Other places that trigger memories in many a Conestogian are the Spectrum, the Tower, Pulsations, and, especially, the Mann, where we went to meet new people, recognize old faces, laugh with good friends, and be captured by the sound of music that is us.

That same music we were privileged to broadcast from Philadelphia on July 13 . . . LIVE AID. "We Are The World" became the world's song, and, in The City of Brotherly Love, we played host to the unification of two continents joined for a worldwide cause - the starving.

The year continued and we switched roles in many different ways: the girls became guys and paraded around in boxer shorts, and the guys became animals and cut their hair into mohawks (congrats on the courage Jamie and Dave!). Not only did the people become a little bit backwards, but the good old Big "C" did, too. It didn't snow-we had no school. It snowed-we toughed it out. We even had the school's first Hurricane Day, to boot.

We will reluctantly forgive the School Board for keeping our graduation date on the 17th . . . RIGHT IN THE MIDDLE OF SENIOR WEEK!!! If we should happen to run out of gas traveling to and fro, however, you realize we will hold you responsible.

June 17. June 17. June 17.  
 You've got to say it many times  
 to really believe what it means.  
 An end to lockers,  
 goodbye to the bus,  
 and end to Ritt Picks,  
 in whom all of us trust.  
 A goodbye to late notes,  
 to Toys For Tots,  
 to the Canned Food Drive,  
 to the new parking lots.  
 Goodbye to B.K. and D.Q. and McD's  
 5th free, goodbye,  
 we'll miss all of these.  
 Goodbye to the breezeway,  
 the courtyard, the halls,  
 goodbye to leaving 7th  
 and perusing the mall.  
 Goodbye to Rose and  
 her Kitchen Gourmet,  
 goodbye to Mr. V's  
 "Thought For The Day."  
 Goodbye to the future  
 hit stars that we knew-

the DA's, Gab Sacks,  
 and the Chilly Most Crew.  
 Goodbye Mrs. Winther and Procopio.  
 Our futures in college to you  
 we do owe.  
 Goodbye to Arch and  
 good luck down the road -  
 though we seemed not to listen,  
 each one of us heard.  
 Goodbye to dear Eddy and  
 Frank and the gang,  
 goodbye to the bees in the  
 courtyard trash cans.  
 Goodbyes could last  
 for as long as there's room,  
 but the space that we have  
 will be used very soon.  
 The final goodbye  
 is the toughest to say -  
 we'll each miss each other  
 in more than one way.  
 We've shared our hopes,  
 our smiles, our love,  
 and left each other with

memories to hold.  
 The word for our class,  
 if there is but one,  
 would have to be "special"  
 to describe all we've done.  
 We've gone through these years  
 with the closest of friends  
 and it really won't hit  
 till we get to the end.  
 Though through the years,  
 for the rest of our times,  
 we'll remember the people  
 who touched our lives,  
 and we'll chuckle, or frown,  
 or perhaps shed a tear,  
 when we think back and grasp hold  
 of all those years.  
 And we'll think to ourselves,  
 Wherever we may be,  
 the happiest years  
 of our lives . . .  
 The Big "C."

"Have a LARGE future, guys!"

# Those Wonderful Weekends . . .

Bored? Confused? Maybe tired? Don't worry. It's already Tuesday; the weekend is only four short days away. To most students weekends are necessities that make school bearable. They are used to a two day break between school and work. This break gives students the chance to go out late, release tension and anxieties, be with friends, spend money, and, a favorite among students, sleep late.

Being a sports oriented school and excelling in many different types of sports is reason enough for the students to attend games regularly and to promote spirit year round. Adjusting themselves to the different seasons of the year, students find that the change in their weekend routines are welcome. Could it be McDonald's or Friendly's after a game? Probably so as we soon all found out that these were the places to be. If you're the more outgoing type Valley Forge Park was always a fun place to be. If your weekend was goind to be filled with music and dancing Poulstations had it all.

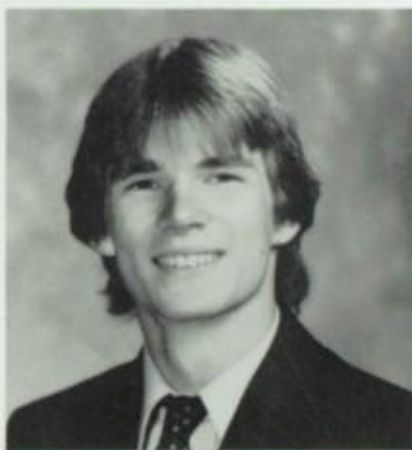

No matter what you were or what time of the year it was . . . the most important thing was to be among Pioneer fans and friends. Weekends made this and much more possible. In years to come we'll catch our selfs saying, "Hey remember when . . .?"

Each year the class votes on who they feel are the best, depending on the title. This year, as always, it was close. But one stood out above the rest-and that was Most Eager To Graduate. As people were pondering the thought of who should win someone came up with the idea that not one person should win but 430 should. Yes, that's right our whole class is eager to move onto college life and see what the future holds for each of us. The Senior Superlatives are always fun to look back on with each class reunion, or just for the fun of it. Choosing just one girl and one boy to win is always hard, because our whole class as one should win — we are a unique group always ready for anything. Good luck to the class of '86!!

SEASON RECORD: 2-1-8

As the 1985 season unfolded, all eyes were focused and all hearts eagerly awaited the return of the Pioneers. This season will always be remembered for the winning attitude and enthusiasm that the coaches and especially the seniors brought to the team. From day one of camp, when we were all fortunate enough to meet our new conditioning coach, Mr. Petrillo. All the coaches did a superb job through out the season. The whole team gave 100% total effort. What the team lacked in physical size they made up for in desire and motivation. Lead by the team members, "Mad Max" McClain and "Super-Steve" Downey, the team always left the field, win or loose, with their heads held high and made 1985 a year to be proud of the pioneers.

Under head coach Michael Lorback, the Conestoga High School Varsity soccer team did not have a winning season. Their record of 3-9-1 shows this but does not show all the hard work and effort the team put fourth. The soccer team plays each of the schools twice, even though they lost a number of games they did manage to win their hardest game against arch rival Lower Merion. Each member of the team is outstanding, but two are more than average. Rick Wilson and Tim Muldoon showed superior effort throughout the season each going on to the all-star game. At the all star game both played extremely well scoring many of the points. Lucky for the team there were not many injuries. Having practiced everyday from 3:00-5:00 since August they showed continous progress till the very last game.

Though all the players on the soccer team were outstanding one stood out above the rest. Rick Wilson, a senior, had a superb season starting almost every game. His fancy foot work helped the team through many rough times. Enthusiasm, spunk, and determination are three adjectives to describe the type of season Rick had. Going on to the Central all-star game we saw his true professionalism come out. Scoring many of the points along with Tim Muldoon, Rick's enthusiasm and hope never gave in.

The Pioneer's field hockey team enjoyed another outstanding year. Led by Coach Merle Werley and team captains Suzanne Bruce and Jill Dunham the Pioneer's compiled a 5-2-1 record in the Central League and advanced to the play-offs for the second year in a row. The well balanced Pioneer attack was lead by Kim Clement and Cathy Michaud with seven goals each, while Missy Reed and Suzanne Bruce were always strong on defense. The season was full of memories-the buddy system, boxers, summer camp, and the Haverford win-but the biggest memory of the year was the one game play-off win over Marple which propelled the girls into the league playoffs again and made this season one to remember for Conestoga.

## CLOSE UP

On a play-off contending team there are many stars and our field hockey team is no exception. One of these players was Jill Dunham, Jill was selected first team all-central at her defensive position and co-captain by her teammates. When asked what made Jill such a good player Coach Merle Werely responded, "Jill combined natural ability with a strong desire to win." On a team with many big names Jill Dunham stood out and was a credit to her team.

Appearing time after time in newspapers rave reviews, was the name of sophomore Gayle Miller. Number one on the tennis team for both her 9th and 10th grade years, she's been what most would say a pride and joy for the entire team. With an incredible 9-

0 record, Gayle usually aced her matches with 6-0 scores, or, as the girls so excitedly called it "double bagels". Gayle climbed her way to the top, becoming #1 in the Central League, and then #1 in the entire district. When Gayle was, on the court, she played with determination hard to eminate, and always performed like a professional.

Once again the girls tennis team set a record to be proud of, Central League Champions after an undefeated season. Right down to their victory over their arch rival, Radnor, the lady pioneers demonstrated skill in the utmost degree. Despite an unforeseen obstacle, the resurfacing of their tennis courts during mid-season, the netgals rose above it and clinched the league title with ease. The winning upline consisted of singles players: Gayle Miller, Kris Ladden, Andrea Dutton and Melissa Tyson, and the double teams: Nancy Zorich and Jen Ladden, Terri Lebre and Jane Bearinger, and Patty Palma and Margie Robinson/Kristen Bardeen. Cheers to our #1 player, Gayle Miller, who is the singles champion for the district! There will be 8 seniors leaving: Susie Detrick, Amy Prochowski, Jane Bearinger, Margie Robinson, Patty Palma, Kris Ladden, Kristin Bardeen and Marci DuPont and it's tough to say goodbye, especially for Jane, Patty, and co-captains Kris and Margie who have been on the team since 9th grade. They'll each take with them a memory from the tennis team, whether it was remembering "buddy bags", or busride chats (or for those who drove-getting lost on the way to the matches), the trips to the YMCA, or the guy in the red suit who delivered a "get psyched" singing telegram to the team before the Radnor match. Throughout the laughs, the good times, and even the frustrations, the lady pioneers kept up the spirit. Coach Fran Schecter, said after one match, "I'd have to say that in all the years I've coached, this is definitely the strongest team I've had- and that includes last year."

Row 1: S. Gorecki, M. Guza, G. Hagar, F. Waylord. Row 2: C. McKenzie, M. Sander, K. Oliver, T. Dunkel, C. Quinn, D. Palmer, Mr. Bialous

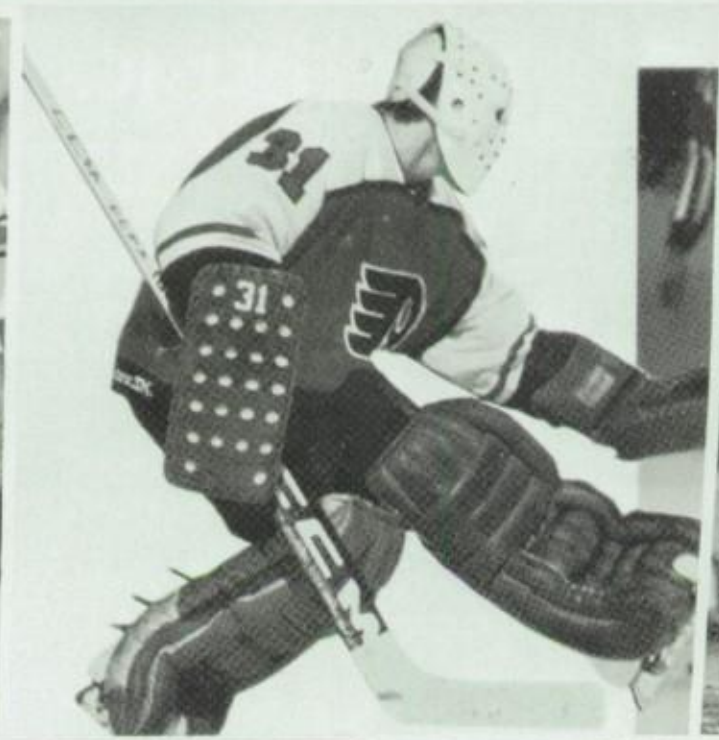

The 1985-86 season for the 'stoga golf team was one of excitement and enthusiasm. With the leading star of Carolyn McKenzie the team came out with an impressive record of 7-2-0. Having their home course at Waynesborough they played at various country clubs, such as Chester Valley and White Manor. As many of the seniors are leaving this year a new and enthusiastic group of juniors and sophomores are coming to show their talent. Under head coach Mr. Bialous the team proved to be victorious for another winning season, showing continuous effort and determination.

Our Conestoga Golf team once again claimed the Central League title. As any great sportsman knows, a great team is made up of great individual efforts and achievements. This is the kind of production Carolyn McKenzie has given to the golf team all season. She is now being recognized as an outstanding individual athlete. Carolyn started out the season with an outstanding winning and ended up with a bang. Going on to states Carolyn placed second and she has won the District Title. Congratulations to Carolyn for another winning season and to the whole golf team for an outstanding season.

## Close-Up

The players cited for their offensive as well as defensive play for the season were co-captains Wendy Washington and Missy Taylor. We are sorry to say that Wendy with her awesome serves, bumps and spikes has played her last

year of Volleyball for the Big "C". But Missy a junior will be able to lead the Pioneer Volley Ball team next year. Both girls have shown superb leadership through out the entire Volley Ball season.

The Volleyball squad did not have a winning season, but they had soom excelent games where individual as well as the whole team showed superb skill. The second half of the season was a rally point and they went to Districts with the hope that their momentum would carry them through. Coach Kazur recognizes the whole team for their enthusiam through out the season especially during the victorious game against Radnor.

Cross Country requires a special type of athlete. This athlete must endure rigorous practices six days a week for two hours per day, rain or shine. The race is grueling miles which include hills, muddy fields and often creeks. The head coach is Mr. Ramsay, a social studies teacher who has been a track coach at Conestoga for 24 years. Mr. Hinchberger, the assistant coach, is a tenth grade guidance counselor as well as a merited runner. At each meet, three races are run: boys' varsity, girls' varsity and boys' junior varsity. Varsity is the top seven runners; the top five runners score as many points as their place and the lowest score wins. The boys' varsity season record was 7-2 and the girls' record was 7-1. Each team placed first at the Central League Championships at Rose Tree Park in Media. Six team members earned accolades: Bill Peale, 1st; Terry Kelly, 4th; Tony Piccone, 14th; Chrisi Johnson, 5th; Kelly Claussen, 7th; and Sharon Odenweller, 8th. The District One meet is held at Lehigh University. There are nine leagues in the district and our team participates in the faster AAA races. The boys' team placed tenth and the girls' team placed eighth. Bill Peale placed 17th and went on to states, Terry Kelly placed 24th, Tony Piccone placed 47th, Ivan Gerrity placed 120th, Chris Schwarts placed 161st. In the girls' race, Kelly Claussen placed 44th, Sharon Odenweller placed 45th, Chrisi Johnson placed 47th, Lisa Price placed 121st, Marta Schultz placed 121st and Nicole Stassen placed 161st. Congratulations to the team for an outstanding season.

**CLOSE-UP**

Bill Peale was named the most valuable player on the boys' Cross Country team this year. A senior, he has been on the team since ninth grade. He fought a tough battle with tendonitis early in this year's season, forcing him to stop running for several weeks. His impressive effort to stay in shape, known to few, which included weight training and swimming, must be commended. Finally, he overcame the injury and returned to racing. He won the Central League Championship and placed 17th at the District meet. Culminating his high school Cross Country career with a trip to the State Championships, he placed 115th. He endured the pain while watching his teammates. And finally, he conquered that pain, took his place among those runners and displayed his finest skills in sportmanship and in running.

**CLOSE-UP**

Chrisi Johnson was named the most valuable player on the girls' Cross Country team this year. A junior, she has been on the team since ninth grade. She consistently ran in the number one spot for the team throughout the season, excluding one meet. As with the boys' team, there are three to five runners at the top of the girls' team consistently improving and getting stronger; it is hard to continually come out in front. Chrisi placed fifth in the Central League Championship and 47th at the District meet. She is a very competitive runner, only finishing behind five runners in the dual meets of the season. She is a dedicated runner who continues to improve. She encourages her teammates and at the same time is constantly striving to do her best.

## Central League Champs

The Pioneer Basketball season proved to be one of our best ever as we were crowned Central League Champs, and advanced to the play-offs. Coach Fredrickson's starting team consisted of Juniors Clay Buckley, Dane Watts, Steve Burton, and Joe Paytas, plus Senior Dave Engel posted a 15-3 Central League record. But, the highlight of the season had to be the League Championship game at Haverford in which we proved not only our Basketball dominance, by winning 59-50, but also our fan dominance as our diehard fans clearly outshouted the weak support being given for the Fords. All in all, it was a season in which the whole school could be proud of.

The Lady Pioneer Basketball team had an outstanding season, proving themselves a big threat in the Central League. Finishing with a second place in the League and a 16-2 record, the Lady Pioneers advanced into Districts. Starters Nina Alston, Kristen Schaeffer, Tracy Jansen, Giannina Madrigal, and Kelly Claussen kept the team going under the direction of Coach Karen Marley. Several records were also set. Kristen Schaeffer and Nina Alston both broke the high scoring record in a game with 32 and 31 points respectively against Ridley. All in all, it was an awesome season, and one to be proud of! Amen, Amen Again.

# Running Through The Snow And Ice For Perfection

Row 1: L. Gillette, A. Power, T. Kelly, M. Mitchell, A. Aluwihare, K. Krause, D. D'Orsaneo, T. Piccone, L. Dreisbach, M. Schultz, C. Schrotberger, S. Odenweller, L. Champion. Row 2: A. Warner, E. Sanchack, B. Euler, D. Coyne, S. Macan, L. Mears, L. Price, T. D'Orsaneo, J. Shumake, J. Traynor, C. Quinn, D. Pearson. Missing: A. Adams, C. Knutsen, B. Peale, J. Prell, R. Sharpless, B. Watson. Coaches: Head Coach Mr. Ramsay, Asst. Coaches Miss Bodoff and Miss Keiths.

What do you think of when you hear the word "winter"? Probably snow, ice, skiing, sledding, and snow days. These runners think of Coaches Ramsay, Bodoff, and Keiths, practice, meets, pace workouts, road work, weight training, and speed hills.

Conestoga's Boys' and Girls' Winter Track Teams begin practice in early December. Once winter's snow and rain arrive, they move off the track and onto the parking lot; they also take to the road for distance and hill workouts. They bundle up against the bitter weather and run five days a week, rain, snow, or shine. Fortunately, all of the hard work outside, the running and exercising on the hard parking lot pavement, pays off when the runners move inside.

The weekend to a Winter Track runner is the time to go inside. They participate in track meets on indoor tracks at local colleges, including Lehigh, Widener, Haverford, St. Joseph's, East Stroudsburg, and occasionally Princeton. At the

girls' meets, any combination of 70 track teams from the five-county area, Philadelphia, New Jersey, and various areas in Pennsylvania participate. This includes Catholic and private high schools. The teams at the boys' meets are from the same schools, but as there are more boys' teams than girls' they compete in two divisions, each of approximately 45-50 teams. This wide range of high schools provides excellent opportunities for our teams to run against runners that they don't meet in Spring Track competition.

Conestoga's Winter Track runners battle the elements of winter weather everyday, striving for individual improvement which will help them and the team in later season. As so many teams compete in each meet, there can be no record kept of the team's wins and losses. However, it is safe to say that each of Conestoga's Winter Track members were winners this year.

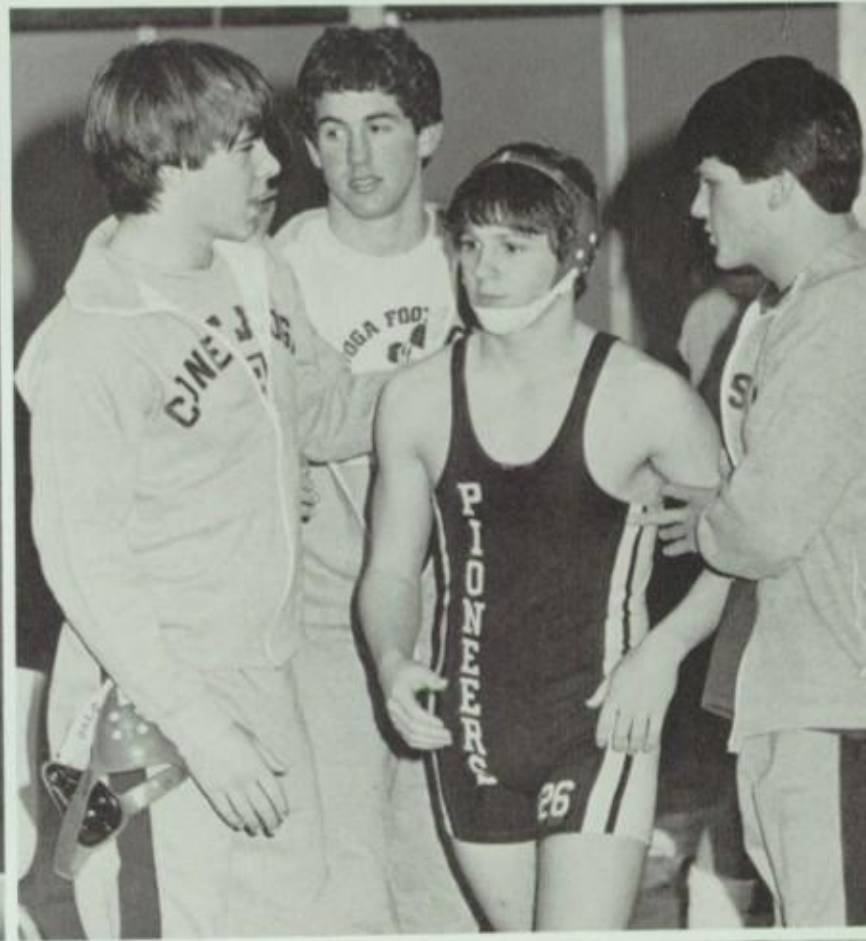

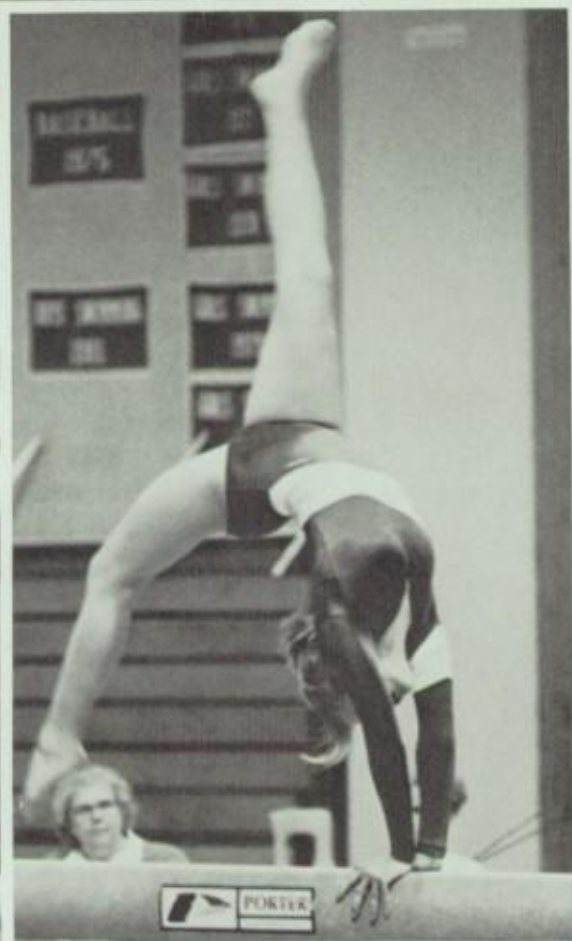

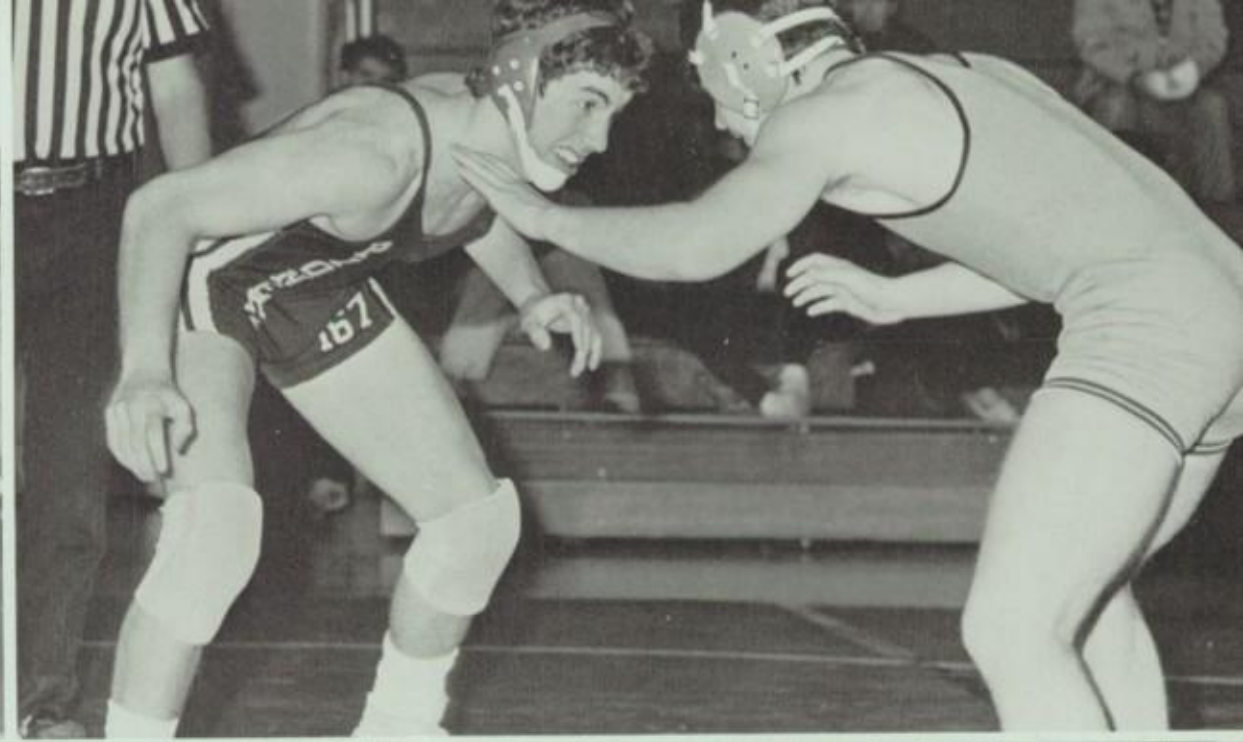

## Close Up

**Tony Piccone** is one of the most outstanding athletes on the Boys' Winter Track Team. This year marked his third year on Conestoga's Winter Track. He is a senior who has also run three seasons of Cross Country and three seasons of Spring Track at Conestoga. In Winter Track this year, he has proven himself to be a very versatile runner. He has run the 60 meter hurdles, 600 yards, 1000 yards, and the mile, and at various meets he has also participated in the mile relay, the two-mile relay, and the distance medley. His excellent running ability shines brightly in every event. This winter he demonstrated that he is not only a well-qualified member of the team, but also of the state of Pennsylvania. At the Meet of Champions in February, he ran the mile in 4:40.2 and placed 7th overall. He then advanced to the State Championships, also held at Lehigh University, and ran the 1000 yards in 2:24.6, earning him 11th place honors in the state. Tony continues to run consistently in every meet and he deserved the high praise of his teammates.

## Close Up

**Lara Mears** is the Girls' Winter Track Team's spectacular shot-putter. This season was her first season of Winter Track at Conestoga. She is a junior, who as a sophomore first demonstrated her ability to put the shot in Spring Track. This winter, at Haverford College, she broke Conestoga's Indoor Track Shot Put record of 30' 11 3/4", set by Jennifer Billings in 1982. Lara bettered the record to 34' 7". At the Girls' Meet of Champions in February at Lehigh University, she placed 3rd in the shot put event. Advancing to the State Championships, she heaved the 4-kilo shot put far enough to earn the honor of tenth-best shot-putter in the state of Pennsylvania. Lara will participate in the shot put and discus in Spring Track. Going to States is a great confidence-building experience for a junior, and next year Lara will continue to shine for Conestoga's Winter Track Team.

What else can be said about an excellent swimmer like Mary. Mary Price, a Senior, has had another terrific season with the Pioneers. Mary participated in many of the events showing her strength and determination in each of them. They were as follows: 100 back, 100 free, 50 free, free relay, and the medley relay. Everyday there was practice. All of Mary's hard work paid off when she went to states with a few other members of the team.

# TANKERS TRIUMPH

The Conestoga Boys Swim team, lead by captains Dave Curtis, Jed Guenther and diver Scott Carson, and Coached by Mr. Al Thomas, had an undefeated season of eleven wins and zero losses. The Tankers started the season off right by defeating Downingtown 91-80 and then continued this winning streak by overwhelming the entire Central League and then finished by vanquishing District eleven powerhouse Emmaus 92-77. That meet concluded one of Mr. Thomas's most successful dual meet records as coach of Conestoga. The team then captured the Central League title by annihilating Marple Newtown 107-65. Conestoga then placed third in District one competition and diver Scott Carson placed third among the various competitors. The tankers then traveled to Penn State to compete at States. The conestoga Swimmers involved with states were D. Kenouft, D. Curtis, J. Curtis, C. Torell, C. Huddleston, J. Guenther, M. Coulter and diver S. Carson. We wish the Tankers best of luck next year to keep the winning season alive.

## CLOSE-UP . . .

This year the Conestoga Tankers were lead by a strong driving force. This force was Jed "King Neptune" Guenther. Throughout the Tankers season Jed has had many strong races. He swims the 200-yard individual medley, the 100-yard freestyle and the first leg of the 400-yard free Relay. The next competition Jed faced was the PIAA State Championship Meet, that was held at Penn State University.

# Winning Moves

Once again the wrestling team had a successful season with a record of 14-4. In the Central league, there was a tough race, but the grapplers came through with early defeats over Ridge and Springfield, and late season victories over Upper Darby and Marple. Stoga handed Ridge their first loss at home in 13 years, 28-26. After winning the Central crown, the team placed second in sectionals and carried six wrestlers to districts. Jamie Perry, Blain Hibberd, and Owen Hibberd all advanced to regionals where Owen took second and advanced to the state tournament. The seniors on the team are as follows: Dave Blackburn, Jamie Perry, Greg Walter, Steve Seshun, Bill Kearney, Bill Dienno and Blain Hibberd. The team did a marvelous job and congratulations on a great season!

Somer-salts, parallel bars, and the floor matts are all terms that Stacey Adams can associate with. Stacey is on the Girls Gymnastics team. With a strong will and a lot of determination Stacey has proven that she is top notch. Stacey competed in

States which were held at the University of Shippensburg. We hope that next years team will have the whole hearted integrity that Stacey and her teammates seem to possess.

The 1985-86 Girls Gymnastics team came nothing short of a great season. Under head coach George Cockerill with assistant coach K. Bailey the team worked out strenuously after school plus personal time. The team selected Stacy Adams as their captain and she motivated the team to a winning season. The season record was impressive with five wins, no ties, and three losses.

The Conestoga Boys Gymnastic team, led by Captain Chris Day and Co-captains Bill Murdoch & Dave Kearney had a great season. Three individuals qualified for PIAA District I Championship. 1) Chris Day - placed fifth all around and qualified for the state championship on the floor excersize. 2) Dave Kearney - placed seventh on still rings and 3) Steve Scavito - placed eighth on bars. At the PIAA State boys Gymnastic Championship at Shipensburg University, Chris Day placed fifth on the floor excersize. Overall the team placed fourth and won a trophy at Glenn Mills invitational.

# Cheerleading . . . A True Art

S. Streeter, T. Hughes, A. Sellmer, K. Krause, L. Frey, M. Buck, K. Lamotta, J. Kelly, K. Clendenning, D. Currie.

The 1986 Fall Cheerleaders, under the leadership of Coach Lynn Young made tremendous advances for cheerleading at Conestoga. Captains Kris Krause and Sarah Streeter lead the Pioneer cheerleaders in gathering great support for the football team this year. One highlight of the season was when the girls placed 4th at the Great Adventure Tri-State competition with the infamous Rock It routine. Special memories were; summer camp, our new pompons, stealing and painting crates, baking cakes, painting signs, pep rallies - when the f-ball boys gave us flowers!\*, Wally World - 4th place, 2nd at Marple, Lynn's long talks & having our picture "made" for the papers, pyramids, when the crowd actually stood in the stands, all the good times, hard work, and smiles being a Big C cheerleader.

The Junior executive council is a selected representative body of Juniors from the class of 1987. The Junior executive council is made up of one representative from each homeroom plus an elected president, vice-president, secretary, and treasurer. The President this year and last year is Dane Watts. He organizes meetings along with the Vice-President John Levinson, Secretary Tim Murphy and Treasurer Mike Dehaven. Together, they make the plans for Junior oriented activities such as the Junior prom, cabaret, and Junior sponsored dances. The student's input is seen through their homeroom representatives. This group of Juniors work together and plan all the major activities for the class of 1987.

# Flowers For Algernon

Flowers For Algernon, one of the two school plays, was nothing short of a huge success! Under head director Ms. Marnie Herzfeld the cast practiced everyday plus much of their own personal time. The dates for the play were November 8-9, each night starting at 7:30 p.m. for a huge turnout. The stage director was Mr. Guy Woodworth, the play was done in a very professional way, with a cast of many talented seniors, juniors, and sophomores. The cast list was as follows:

Dr. Strauss - Brian McVeigh  
 Professor Memur - Robert Grossebeck  
 Alice Kinnian - Leslie TenBroeck  
 Claire Seldon - Kim Minapace  
 Charlie Gordon - Shawn Hazlewood  
 Frank - Mark Plaskow  
 Gena, Bernise, Chair Lady and Mrs. Neimer - Lizzie Biddle  
 Mrs. Donner - Becky Broida

Little Charlie - Lawrence Freedman  
 Father - Jon Collins  
 Norma - Sterling Tolley  
 Mrs. Fedman, Ellen and Anne Welburg - Leslie Power  
 Teenage Charlie - Dan Hyson  
 Mrs. Mooney and Jackie Weldburg - Jennifer Hedges

The cast deserves a warm round of applause for a job well done!!!! Congratulations to the cast, director, and stage manager!

Joe; Mr. Harview - Randa Scarletta  
 Mother - Alison Newton

# Senior Variety Show

THE '1985-86 Senior Variety Show was nothing short of a huge success. With Mr. Woodworth and the stage crews help the show was one of the best yet. The acts were as follows;

HEAVEN SENT: Wendy Washington, Melanie Miller, Missy Taylor, Wendy Young

SOUTHERN CROSS: Tom Dunkel, Greg Hagar

TWO TRUMPETS-TWO TUNES: Brian Carr, Brad Dillman

BLUE MOON: Ruth Anne Allen

BURNING UP: Stacy Adams, Kristen Clark, Courtney Grady, Tracy Mollura, Jennifer Wilson, Dana Wolfe

TROPICAL SONGS: Gabriell Sacks

THE D.A.'s: Mark Kiernan, Ivan Garrity, Joe Sam-pinato, Gary Stuchell

INVENTION IN F: Steve Shumaker

MAGIC . . . WHAT AN ILLUSION!: Laura Bates, Amanda Edmunds

DAY AND NIGHT: Kristen LaMotta, Jennifer Kelly, Alison LaMotta, Tracy Hughes

MEMORY: Michelle DeCoste

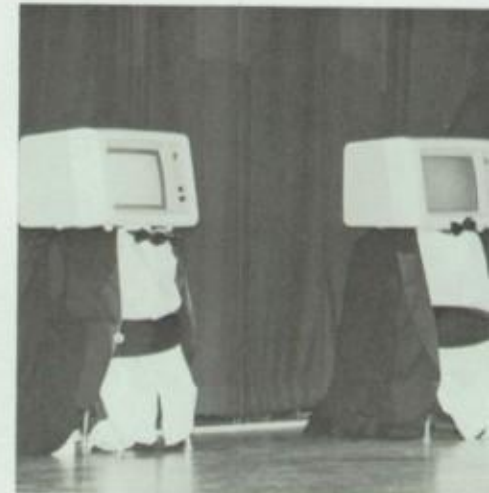

ROOT BEER RAG: Kelly Jackson

STYIST: Gretchen Eberhart, Ande Romano, Barbara Scott, Deena Thornton, Lauren Wise

BAND MEDLEY: Gabriell Sacks

SENTINEL: Ross Gurson, Mark Kiernan, Troy McClancy, Jim Robbins, Ron Robbins

All the acts were superb and well organized. The M.C.'s for the night's made it even more worth while. They were: Kris Allshouse, Mike Ferraro, Judy Flanagan, Kevin McCormick, Mark Sarian, Marc Daly. The Variety Show were Fri. Nov. 15th and Sat. Nov. 16th each night starting at 7:30 p.m.

# Homecoming

Kristin LaMotta and Cary McClain

SENIORS: Mark Henderosn, Jennifer Kelley, Cary McClain, Judy Flanagan, Mark Reale, Kristin LaMotta.

JUNIORS: Topper Ray, Meghan Thumm, Clint Huddleston, Colleen Park, Graeme Wildman, Lynne MacDonald.

SOPHOMORE: Alison LaMotta, Chet McClees, Erin McClain, Andrew Lowe, Ashley Adams, Chris Derham.

This year's Homecoming was set off with a pep rally held on Teamer field on October 4, 1985. Conestoga's band and cheerleaders enthused the crowd with their talents. The Homecoming court was introduced by Mike Ferraro and Mark Sarian, and this year's king and queen, Cary McClain and Kristin LaMotta were finally revealed to the eagerly waiting crowd. Conestoga's Pioneer football team was also introduced led by their coach, Harry Gicking. Although the day was rainy, our Pioneer enthusiasm shown through the dreariness.

# Halloween

Halloween at the Big C was nothing short of interesting! Students dressed up on October 31st as their favorite characters and really showed their spirit. The student council sponsored a costume contest with cash prizes. The faculty participated as well. The first place winner was Kristen Schaeffer dressed as Big Bird, and she received ten dollars. The MnM's, our group winners, received thirty dollars. They were: Miriam Braunstein, Melissa Bunnell, Laura Champion, Joanne Brown, Anne Lynn Bradford, Darcy Zajacek, Lori Dreisbach, Dawn D'Orsaneo, and our faculty winner was, secretary, Mrs. Dewees, as a punk rocker! Everybody looked great!

# Pep Rally

Conestoga's spirit was shown at the Thanksgiving pep rally held for the purpose of sending our varsity football team off to a victory at Marple Newtown on Thanksgiving day. The pep rally was headed up by Mike Ferraro and Terri Stagnaro. The Conestoga cheerleaders psyched up the crowd with their display of cheers. Coach Gicking announced the starting line-up and the players showed their gratitude towards the cheerleaders by presenting them with a mum to wear at the game. The pep rally succeeded in helping the team to a 14 - 6 victory. After a hard-fought and disappointing season the Pioneers ended their season on an upbeat note.

# Homecoming Dance

On Friday, October 5, Conestoga has its first homecoming dance in many years. This semi-formal dance was a great success, with a tremendous turn out. Students enjoyed dressing up for this special occasion. Boys were stylin' in their jackets and ties, and girls in their dresses. The class of 86 really got down that night!

# Winter Festival Dance

The Winter Festival, a second semi-formal dance, was held on December 21st in the CHS cafeteria. The theme, "Winter Wonderland", featured blue and white lights and snowflakes. The Winter Festival was a great success and the perfect way to start the holiday break.

**E**very year brings certain events that make it unique.  
In Philadelphia in 1985, there were several, some so momentous that they drew the attention of the world.

Still others had local repercussions, in the Police Department, at City Hall, in the city's neighborhoods and on the area's highways. In local politics and college basketball, it was also a year for underdogs. It was 1985 — a year like no other.

## Rocking the world from a Phila. stage

Some called the Live Aid concert "the Woodstock of the '80s." A Woodstock the 14-hour rock-and-roll extravaganza July 13 at JFK Stadium put Philadelphia before a worldwide television audience of one billion or more — the largest audience ever for a single event.

The concert here was linked by satellite with a second in Wembley Stadium, London. Together, they had a powerful effect, driving home the extent of the suffering in Africa — by late that night, some two million people had tried to call a toll-free number to pledge donations.

The 101,000 people who crowded into the stadium, most of them young, heard from the top performers in popular music, including some who were reuniting in old bands that had broken up. The event ended with dozens of the singers joining together for a powerful rendition of "We Are the World."

For better or worse, what Reagan and Gorbachev make of each other—and what they make of their opportunity together—could channel the superpower rivalries into peaceful, or more dangerous, new directions. NEWSWEEK's cover report assesses the president's possible strategies for dealing with the vigorous new Soviet leader and reflects on the value of holding superpower summits at all.

## at Springfield Mall

Shoppers fled in terror Oct. 30 when a woman clad in military garb and armed with a rifle began firing at random at the Springfield Mall in Delaware County. Within a few minutes, a little boy and an elderly man were dead, and eight others—including a doctor who died a month later—were wounded. Police said the woman, Sylvia Seegrist, 25, fired about 20 shots from a .22-caliber carbine before she was disarmed by John Laufer 3d, 24, of Middletown Township, Delaware County.

Seegrist, who has a record of psychiatric problems, is charged with three counts of murder and seven counts of attempted murder. Laufer and some other shoppers thought at first that the noise of the gunfire was only a Halloween prank. That night, Seegrist told a district justice, "I've done something terrible."

## A Dirty Vote?

On the eve of this week's Philippine elections, supporters of opposition candidate Corazon Aquino charged that President Ferdinand Marcos was preparing "an electoral steal." Opponents charged Marcos with intimidating voters, forging ballots and even plotting to return the Philippines to martial law.

## 'MOVE, this is America!'

one image stands out among the memo- of what happened in Philadelphia in 6, it is the picture of a police helicopter oping low over 6221 Osage Ave. and drop- g a satchel of high explosives on the roof he MOVE compound.

hat evening, May 13, thousands of Phila- phians sat transfixed before their televi- n sets as they watched a neighborhood royed by the resulting fire. At least 11 ple inside the MOVE house died, among n MOVE founder John Africa. And 60 er rowhouses were destroyed in what e Commissioner William C. Richmond ed "the toughest fire I've fought in 25

years."

The fire ended a confrontation that had begun before 6 a.m. when Police Commis- sioner Gregore J. Sambor shouted through a bullhorn, "MOVE, this is America!" In the next few hours, police would fire an esti- mated 8,000 rounds at the MOVE house. "What we have out there is war," said Mayor Goode.

In the fall, the MOVE commission heard testimony from Goode, Richmond and Sam- bor, who resigned shortly after the hearings concluded. Leo A. Brooks, the city managing director at the time of the MOVE confronta- tion, also testified. He had resigned earlier.

## Wildcats! Wildcats!

Students on the Main Line campus cele- brated all night April 1—with some fans growing unruly and causing about \$20,000 in property damage—when the Villanova Uni- versity basketball team astounded nearly everyone by defeating Patrick Ewing and the Georgetown Hoyas, 66-64, for the Na- tional Collegiate Athletic Association cham- pionship. It was the first time a Big 5 school won the national title since 1954, when La- Salle did it.

Coach Rollie Massimino's Wildcats (25-10) started the tournament as the eighth-seeded team in the Southeastern Regional. Against Georgetown, they played terrific defense and shot an amazing 88 percent from the field in the second half—and 79 percent for the game—to defeat the defending NCAA champions

# Conestoga H.S. Marching Band

Drum Majors: Greg Parvin and Brad Dillman

As we wait anxiously at the start of each Half time show we see two not one Drum majors. The tradition of two drum majors has carried over from last year with just one minor difference, both of the drum majors are senior guys. We welcome back veteran Greg Parvin and say "Hi" to rookie Brad Dillman. These two guys have proven that not only the band and bandfront be recognized but that they to contribute a lot to the whole show. We are sorry to say that both Brad and Greg are seniors but we hope that next year someone will be worthy enough to take their place.

The Conestoga Band, comprised of 86 Marching members and 94 Concert members began the school year with enthusiasm and pride. An early September Parade date with Miss America in Atlantic City brought the Band a fantastic 4th place against top competition. The Band performed at Radnor Hunt for the first time and entertained audiences throughout the football season with crowd pleasers such as Birdland, Rocket and Trooper Salute. The entire Marching and Concert Band performed at the Azalea Festival in Norfolk, Virginia during April and finished a fine year with its Annual Spring Concert in May.

Contrary to popular belief, Colorguard is not an easy activity. How would you like to throw a colorguard pole 5 feet over your head in 60 m.p.h. winds? Half of the time you get hit in the head and it really hurts. It's not the greatest. But despite the bumps, sore muscles, hot August bandfront sessions, wet parades and freezing Monday nite practices, the 1985 squad had fun. They put in a lot of hard work and tried their best amidst the screaming and yelling of the co-captains. The squad had a great season. Let's hope the 1986 Colorguard unit has a year just as good or better than the one we previously had. Good Luck.

The Conestoga Ice Hockey Club has perennially been one of the finest such clubs in the Philadelphia area. This past year was no exception. Over the past four years, the Varsity team has won three consecutive Inter-County Scholastic Hockey League Regular Season and Playoff Championships, made three trips to the Flyers' Cup, and won the 1984-85 Pennsylvania State Ice Hockey Championship. The J.V. team has also won four consecutive championships. This year's teams continued this proud tradition by dominating their opponents and increasing the Varsity regular season unbeaten stretch to over sixty games spanning the last four years. The Conestoga Ice Hockey Club continues to be the Big "C"'s "winningest" sports team as it brings more and more fame to the trophy cases of Conestoga.

# Rugby Club

The Rugby Club's season began on February 11. The turn-out, which was extremely good for a club, showed great interest and enthusiasm. The team traveled sometimes great distances to play other clubs. The team looked vicious in their black and yellow uniforms and the forecast which called for a good year was pretty accurate. Some say they had the makings for the best team Conestoga's seen in several years. Though the practices, headed by coaches, Paul Bacci and Byron "Bitey" Williams were rumored as taking the team beyond human limitation, "The longest continual Rugby Club in the country" was able to handle it . . . right guys?!

Conestoga's Latin Club is an extension of the work done in the Latin classroom. Students involved in this club came to meetings in order to learn more about the Roman Culture. Movies and slide shows were presented which told about this culture and also about Greek Mythology. Occasionally, the Latin Club sponsored trips to various museums to further the members' exploration of the Roman Culture. The club sponsored many different activities ranging from bake sales to a Latin Bowl. The president, Dane Watts and Vice-President, David Kozlowski did an excellent job in keeping a 45 member club exciting and enthused about its program.

# Library Aides

Library Aides: D. Maryott, M. Sarris

Library Aides are very important in the proper functioning of Conestoga's library. Currently there are eight dedicated, responsible students who volunteer their time to service the library. These students help out during their free periods during which they replace returned books to their shelves, reshelve magazines, stamp books, run library passes as well as put cards back into the card catalog. The aides also process new books. One benefit from the students' willingness to volunteer are the credits that are awarded towards graduation. Conestoga's library aides are a great help to our librarians, Miss Ginther and Mrs. Kolman. Without these spirited students, our library would not be the great asset it is.

# Literary Magazine

The Lit Mag is a yearly publication sponsored by Mrs. Rosenberger. It is a collection of literature and artwork submitted by students. Each submission is discussed at great length by the Lit Mag staff. Members vote on each poem as either ACCEPT, ACCEPT W/ CHANGES, or REJECT. Lit Mag came up with many creative ideas this year. They held contests with cash prizes, students took Mr. Vanderslice's place and read an original poem instead of the "Thought of the Day", they even held a trip to Immaculata College and sat in on several different workshops. Probably the most impressive fact about the Lit Mag is that it is sold at Encore Books and is no sooner put out then is gone again! This should tell you something about the talent at the Big C!

# National Honor Society

The Conestoga chapter of the National Honor Society, with officers Dave Smink (president), Gretchen Schwarz (vice president), Anne Lynn Bradford (secretary), and Joanne Brown (treasurer), has grown to be an integral aspect of academic life here at the Big "C". Not only is Daffodil Day, which they sponsor, one of the most talked-about and awaited events of the school year, but the Tutor System, chaired by Mary Price and Betsy Lewis, has proven helpful by keeping smiles on numerous faces. Generous members of the student body gleefully volunteer their free time to help in any of their classes. The National Honor Society is one club that continues to support excellence in academics.

Headed by Mr. William Schwenk, the Conestoga Orchestra contained the top three flutes, clarinets, trumpets, and two trombones of the band as well as three french horns, sixteen violins, six violas, four altos, and three basses. The group practiced two periods a week during the school day with sessions scheduled before each concert. The group gave two performances a year, in the winter and the spring and were scheduled to give spring assemblies in the junior highs. An extra performance took place at a local church.

Many of our musicians also participated in competition for the District Orchestra. Traditionally, Conestoga sends eight to twelve musicians to this group. Three or four outstanding players move on to the Regional Orchestra.

# Student Council

The Student Council is one of the most active clubs in Conestoga. It is responsible for many of the activities that go on here at the Big C. This year the Student Council had seven officers, sixteen senators, nine representatives at large, and a representative met bimonthly, as did the senators. The representatives were responsible for relaying information to students about Student Council, and taking students' ideas and voicing them at Student Council meetings. The senators and officers are responsible for voting on ideas presented at Student Council meetings and organizing activities. Some of the more popular activities that Student Council undertakes are candy grams, volleyball tournaments, sports pep rallies, and dances. It's a great way to get much of the student body involved because everyone has an opportunity to join.

The Conestoga Pep Club is full of energy. This club meets every Thursday right after school for about an hour. There are approximately thirty members. At each meeting, the members draw, paint, and hang signs that encourage and support the school's activities. The sponsor of the club is Mr. Hildenbrand, a psychology and American Studies teacher. Another job for some Pep Club members is to sell pom-poms at football games, and sell candy at basketball games and wrestling meets. The Pep Club is a very important and energetic part of Conestoga High School.

Conestoga's Interact club is a unique club because it serves the school as well as the community. During the course of the year, the club's 120 plus members engaged in a number of fund raising activities whose profits were divided for different causes. Among this year's activities were a pancake breakfast, a scavenger hunt, and "The Faces of Conestoga" pin-up calendar. The money from these and other fund-raisers was used to sponsor such activities as the Senior-Alumni day and programs which sent food and clothing to needy families during the holidays. Many members also spend their time performing odd jobs for some of the more elderly people in our community. Through the year, Interact members have done their best to help improve their school and their community.

# Spoke

NEWSPAPER ROW 1 : B. Kearney, G. Mayes, B. Hughes. Row 2 : W. Snader, R. Osteen, D. Hyson, D. Ho, C. Schrotberger, L. Cobb. Row 3 : R. Riisen, J. Heumann, D. Wylie, S. Seshun

Providing the school with insightful, well written reporting, Conestoga's *Spoke* flourishes as our newspaper. Covering diversified topic matter, from Asbestos removal to new bathroom door signs to the cavalcade of dangerous haircuts present in the halls, the *Spoke* never shies away from any potential stories, but rather attacks them with journalistic relish. Faculty advisor, Al Thomas, was a key factor in the newspaper's success, paving the way for an unprecedented all 8-page issue year. Laura Cobb was Editor in-chief, and the quintet of Bill Kearney, Jenny Heumann, Marc Blaustein, Wendy Snader, and Anna Knox rounded out the editorial staff. Brad Hughes, Mike Ferraro, and Suzanne Bruce contributed features to the *Spoke*, with the efforts of all meshing together for a truly newsworthy year.

# Debate Club

Row 1: M. Yoseloff, C. Schrotberger. Row 2: B. Macaleer, D. Walther, B. Clark, A. Sobel. Row 3: R. Groesbeck

The Debate Club at Conestoga is one of the most informal clubs, only meeting when it is necessary. The main focus of the club this year was youth debates on energy. This is a program that the Debate Club was involved with all year. The topic that was debated dealt with the government and converting solid waste into energy. The events concerning this topic that they were involved in were introductory workshops, which included lectures and debate theory, and discussion tournaments where students met to share their research and to discuss all aspects of the topic. The club also attended competitions at the county and regional levels, and anyone who was interested had the opportunity to enter debates on an area of interest.

# Drama Club

The Conestoga Drama Club puts on several plays a year. It's auditions are open to the entire school, therefore, the talented casts are chosen from the entire student body. This year's first play, "Flowers for Algernon" was a big success. The members of the class of '86 who had parts in this play were: Shawn Hazelwood, Bryan McVeigh, Rob Grosebeck, Leslie Tenbroeck, Jon Collins, Jennifer Hedges, and Sterling Tolley. The juniors were: Alison Newton, Kim Menapace, and Becky Broida. The sophomores were: Lizzie Biddle, Randy Scarlata, Lawrence Friedman, Mark Plaskow, Dan Hyson, and Leslie Power. Also this year there was a "Children's Theater" presentation for the elementary schools in the district, and an acting workshop during the winter months, to give the students some performing instructions. The talented and hardworking actors and directors in the Conestoga Drama Club have made '86 a year to remember.

Twenty-five students, many from different nationalities participated in this active club. What is it? FLICC- Foreign Language and International Culture Club. FLICC is a club designed to help interested students learn more about the cultures behind the many languages. Maria Thorlund, President, and Joe Dohany, Vice President, along with faculty advisor, Mr. Langhans, combined to produce two successful meetings each month. During one of the two meetings, a selected student prepared a presentation for the group to experience different lifestyles of countries. They took various field trips as well, including a trip to an Indian restaurant and a visit to the Amish Country in Lancaster.

Row 1: J. Ho, L. Granda, J. Herrell, L. Taylor, L. Guistino, C. Hove Row 2: Mr. Langhans, D. Slyman, A. Ampolini, M. Thorlund, L. Joachim, C. Crenshaw, S. Biscardi, L. Carpenter, M. Ruppe Row 3: S. Wadel, G. Caldo, K. Hanslien, A. Aluwihare, R. Scarlata, K. McKenney, D. Caggiani, S. Dalton.

## Horticulture Club

Row 1: J. Blake, Mr. Wittmaier, D. Gilbert.

The Horticulture Club is a club of ten members from all three grades, who love working with many kinds of plants and the soil. Unlike most other clubs, the members of the Horticulture Club did not have a set meeting time. They relied on their own discipline to come to the greenhouse and work on their own time (some members came up to eight times per week!). Members practiced plant propagation, kept all plants watered, healed "sick" plants, grew groceries such as tomatoes, and also supplied plants to use in the Biology Department. They also learned how to fertilize, make cuttings, and destroy insects. Although there are no set meetings, a yearly trip to the Philadelphia Flower Show is organized for these green-thumbed members.

# Stage Crew

Row 1: K. Blaufuss, M. McKay, R. Havert, E. O'Connel, M. Newcomer, S. Bharghava, S. Hazelwood, R. Gvoesbeck, M. Yuseloff, D. Earhardt, K. Barnard, C. Woodworth, H. Wisch, Missing: B. McVeigh.

The Stagecrew is the least recognized service club at Conestoga High School. This group is composed of students who are dedicated to the stage in a special way. These students, directed by Mr. Woodworth, work days, afternoons, evenings, Saturdays, and also an occasional Sunday, handling the staging and production of all that occurs on stage here at Conestoga. They take pride in their jobs even though they receive neither applause nor credit for it in school. When stage productions here at school go perfectly well and the stage crew is neither seen nor heard, we can be sure that these students have given 100% of their effort to insure everyone fully enjoys the production.

# World Affairs

The World Affairs Club is a school organization headed by Mr. David Grace, for students who have an interest in current domestic and foreign events. The club sent students to various gatherings of similarly interested World Affairs students to colleges (Yale, Penn, Georgetown). At these gatherings, called "Model U.N.'s", students participated in simulations of the diplomacy in action today. Conestoga students also attended seminars of world events in Philadelphia, Washington, D.C., and the U.N. in New York. The purpose of these seminars, Model U.N.'s, and the World Affairs Club is to give students experience in dealing with people and to give a better understanding of world politics and events.

# Photography Club

Every Wednesday for an hour after school, Mr. Esposito met with Photography Club. The members learned how to use a 35mm camera, how to improve composition, develop their own black and white film, and make enlargements. They seemed to have the most fun taking portraits of their friends, which they took in the photography studio. There were many other activities within the photography club; publicity photographs, photo contests, nature and sports photos, opportunities to submit especially good pictures to yearbook and newspaper, photo silk-screen and graphic techniques, and even going to school sports events as the school photographer. This club is the best place to pick up handy photographer techniques . . . and for those who love to say "cheese", it's a blast!

The Pioneer Dance Company features a variety of contemporary modern jazz routines which center around a specific theme. This year's theme focuses on the expansion of the company and the growing popularity of modern jazz. In harmony with the theme, this is the company's touring year. They have numerous engagements with our local schools. Under the direction of Maria Queuedo, an experienced choreographer and dancer, the company is learning, developing, and gaining support for this type of art. With their productions at Conestoga and at the various schools, the Pioneer Dance Company is being recognized as a group of young professionals and we applaud them.

Y.T.S.C., Youth Traffic Safety Council, is a program that started several years ago. Not until this year has the turnout been so great. Y.T.S.C. is a club that deals basically with safe driving. There are three committees; Alcohol Committee, which basically serves as an informer, Elementary School Committee, which involves going to elementary schools and talking to children about traffic safety (identifying road signs and the benefits of wearing a seat belt), and the Public Relations Committee, which deals strictly with sending out pamphlets, hanging posters, and reaching the public. A first for Conestoga this year was the addition of S.A.D.D. (Students Against Drunk Driving). A student suggested to Mr. Hoke (sponsor), that Conestoga become an official chapter of S.A.D.D. . . . we did. S.A.D.D.'s main project was a "Safe-Ride" program, in which a student could call a volunteer to take him home if he felt too drunk to drive. Two trips - one to the District Court, and the other to a Police Station, helped the club itself learn more about traffic safety.

## Wzzz

As soon as you arrive at school you can hear it, in the halls and the cafeteria depending on how crowded they are, you can listen to the merry melodies flowing from the intercoms. The people behind the scenes are our own student DJ's, who have joined together to form Wzzz. These students come in every morning at 7:15 to set up and start their programs. These students have made getting up at the crack of dawn almost worth it!!! Keep up the good work guys!

The Leo Club was one of the most well-known clubs in Conestoga this year. Not only did the club draw a large crowd of fun-seeking people, but it also worked for the community. The Leo Club was headed by Mark Shapiro, Tom Pickett, Scott Schroeder, and Anjali Gupta. The entire club did a variety of services for the school. Among the community services performed by the club were regular visits to the Cathcart home to play Bingo and collecting money for various charitable organizations. The Leo Club sponsored a concert, "The Conestoga Jamfest", for the WCAU holiday fund which benefitted needy people of the Delaware Valley. Through these various services, Conestoga's Leo Club was well-known among the students, faculty, and parents of the T-E school district, and well-deserved the title depicting its purpose . . . leadership.

AFS is the American Field Service-an international organization formed to promote better understanding among people through student exchanges. AFS has scholarship programs which allows students to do several things. One is bring foreign students to the United States. This year Conestoga has two foreign exchange students. Ayomi Aluihare is from Sri Lanka and has been studying English for years. Kjersti Hanslien is from Norway and has been studying English for years. AFS is an exciting program with many activities such as cookouts, parties, rock-a-thons, bake sales . . . and many more. It is under the supervision of Mrs. Compitello with the leadership of President: Anne Lynn Bradford, Vice-President: Lori Blizzard, Secretary: Dawn D'Orsaneo, Treasurer: Gretchen Schwarze, and Public Relations: Mark Blaustein and Laura Champion. AFS also sends interested Conestoga students abroad to study in another state or country. AFS has approximately 40 active members, and has had a tremendously productive year.

## ANSWERS

**AYOMI:** 1. "I love Conestoga because it dedicates itself to the well-being of the students. At home I loved my school but I was very mischievous which I haven't been yet."

2. "The fact that it is a mixed school! At home we have separate schools for boys and girls. It is cool to be with guys all year long and all day."

3. "It's hard to break a rule much less bend them."

4. Experience: "Going skiing for the very first time in my life. It was so much fun or so funny because I was on my face half the time."

5. "I love all U.S. food except chicken & spaghetti. Chicken is boring and spaghetti is too long!"

**KJERSTI:** 1. "My school in Norway is much smaller, we have about 300 students. The students don't change classrooms, the teachers do. And the Norwegian schools are harder than American schools."

2. "All the various subjects we can choose, and that the students are very friendly. Also, that Conestoga is a good school academically and for sports."

3. "That we always have to wait for the bell before we can go out of the classrooms."

4. Expression: "It's a bad day when your horn gets stuck and you're driving behind Hell's Angels!"

5. "Stromboli"

Kjersti Hanslien, Ayomi Aluihare

Three days a week during 5th period, Concert Choir met in the auditorium. The main goal was to rehearse constantly for their two big productions; the winter concert and the spring concert. Try-outs for solos and duets were held for each show. Apart from the main Concert Choir, there was the Ensemble. Five people from each voice part (soprano, tenor, alto, and bass) were chosen to sing in the Ensemble. For those singers who were headed towards the opera house, District Choir presented an in-between. The singers tried-out and, if accepted, went on to state competition. Concert Choir on the whole is a wonderful opportunity for those who have secretly sung into a tape recorder . . . for those who listen, it sends a shiver down your spine!

This year, the Leo Club, with over 50 members, participated in fundraisers, community activities and school activities. Our main project this year was the Leo Club Concert held Jan. 11. For the first time, a concert was held at Conestoga High with school bands playing, as a fundraiser. Through this concert, performances by Echoes, Gabriell Sachs, Lauren Wise, the DA's and the Chilly Most Crew helped raise approximately \$1000 for Philadelphia's homeless. This years officers were Mark Shapiro, President, Scott Schroeder, Vice President, Anjali Gupta, Secretary and Tom Pickett, Treasurer. The club ended the year with a trip to Great Adventure. page154

# Outing Club

The 1985-86 Outing Club had many fun adventures this year. The club had many activities and went on several hikes. Dr. Ralph Heister is the sponsor and encourages each person to blend well with the outside environment exploring new things and discovering there's more to life than being inside all day.

The 1985-86 Yearbook Staff was a group of hardworking individuals who put their ideas together to create an original book. This year they conspired to form (as you can see!) a gem. Individual groups were responsible for each section. These sections were then collected and compiled to form a rough basis for the PIONEER. During the course of the year several deadlines were set. The editors specified certain sections to be turned in on each deadline. To meet these, the staff used the allotted two periods a week in addition to personal time. Mr. Doyle, the sponsor for this club, organized this team of students to produce a yearbook that will forever bring a happy memory to each and every Conestogian's mind! A special thanks to Mr. Doyle for his help and support and especially Mr. O'Brian for seeing us thru many trying times and helping us to get it done. And a special thanks to Mr. Espisito for all of his help and time.

Editors: Stephanie Cook, Lori Blizzard.

Miss Chisena 1953-1985

## In Memoriam

The only thing "small" about Joy Chisena was her size. She was so diminutive, in fact, that her students affectionately called her "Smurfette."

To each who called her teacher, colleague, or friend, she leaves so much: her keen intelligence and desire to share her knowledge with others; her spunk and indomitable courage; her zest for life. She lived each day to the fullest knowing how precious a gift life is.

For what she has given us and for the person she was — we will remember her.

The Conestoga English Department, led by Marylyn E. Calabrese, is one of the most enriching programs on the planet. The purpose of Conestoga's English program is to provide continued concentrated instruction in written composition, oral communication, and to focus on the literature of America, Britain, and other world cultures. There are year-long courses such as American Literature, British/World Literature, and Modern Literature. There are also a variety of semester courses including the same topics as the year-long courses and courses dealing with reading, writing, and speech. The English elective program consists of four types of English expression courses. They are as follows: Newspaper, Yearbook, The Literary Magazine, & T.E. T.V. News. With such an abundance of class choices, the Conestoga English Department is capable of enhancing the knowledge of all students.

# Science (si /ə ns)n. systematic knowledge of the physical or material world.

Mr. Alwine: Biology, Chemistry.

Conestoga's brilliant science department offers an intense study in the fields of Biology, Chemistry and Physics. The faculty members in charge of these departments are Dr. Heister, who is in charge of Biology, Mr. McElroy, who is in charge of Chemistry, and Mr. Bauer who is in charge of the Physics department.

In Biology department there are two major courses offered, they are Biology 1 and Biology 2. Biology 1 consists of the basic fundamentals of the science but does not expand to much. Biology 2 on the other hand is a more in depth study of the course using field study and our natural environment as guides.

Our Chemistry department also offers two chemistry courses. Chemistry 1 is the first course. This course presents the basic principles of Chemistry, all the equations, laws and formulas. Chemistry 2 is for people who are interested in the field of chemistry, and who want to learn about chemistry on a one to one basis.

The Physics department does not offer just two courses, they have a wide range of classes so that they can fit the students needs. These classes consist of leveled physics, applied physics, and independent study. All of these courses apply the basic rules that physics classes are molded around. Independent study is just an extension of these rules. Students involved with Independent study work on their own applying a more in depth study on physics.

# Foreign Language

(fôr/in lăng/gwĭj)n. study of the system of communication of a nation not native to the learner.

With over 70% of Conestoga students enrolled, the Foreign Language Department, headed by Mrs. Tomeu, is very strong. There are four languages offered; Spanish, French, Latin, and German. Several areas of participation are open to students including the FLICC club, trips to France and Spain, Advanced Placement opportunities, and many more. Conestoga even celebrates "Foreign Language Week" during which foreign films are shown, speakers come to talk about their particular culture, and as we students know, Mr. Vanderslice's proverbs over the P.A. in the morning are translated into that particular day's language, later to be accompanied by a foreign dish from Rose's kitchen at lunchtime. Conestoga's Foreign Language Department has so many unique extras, that it is both a pride and a joy for those who are a part of it.

Mrs. Pollock: guidance counselor, 10th grade.

The guidance counselors for the 1985-1986 year were: for the class of '86, Mrs. Procopio & Mrs. Winther, for the class of '87, Mrs. Reichert & Mr. Fredrickson, and for the class of '88, Mr. Hinchberger & Mrs. Pollock. The counselors work with their class for three and half years as they make their way through The BIG C. They emphasize each year only, so the sophomores are concerned with just surviving their first year. The juniors work mostly with collage planning. The seniors work on applying to schools or attempting to start a career. The student who decides to work or is putting college off for a while gets help in the Career Center from Mr. Saddic and Mrs. McDonough, who is filling in while Mr. Rose is on a sabbatical. Counselors work at staying close to their class and working with the needs of each student.

## 'We Mourn Seven Heroes

# What Went Wrong?

## The Future of Space Flight

Whatever happened, the fiery end of Challenger brought an end to an age of innocence. Space travel had begun to seem so routine. To anyone who had not followed the technology closely, perhaps the most startling fact was that so many things *could* have gone wrong—and did not until now. Before the disaster NASA itself was under tremendous pressure to meet its schedule—to prove that the space shuttle, designed in the early 1970s, could be a workhorse in the 1980s and 1990s—serving a mundane role as a lifting vehicle for military missions such as spy satellites and Star Wars payloads, for commercial ventures and for exotic scientific experiments.

But from the very beginning the shuttle had been a technologically risky design. "They wouldn't let an experimental fighter plane fly with so many single-point failure modes," said one aerospace veteran last week, referring to the number of ways the catastrophe could have happened. Tragically, the odds finally caught up with the space program.

ROCK A LITTLE

Stevie Nicks  
Rocking out on a not-too-long limb

# ROCK & FRIEND

## Stevie Nicks

Unlike her former running mate Lindsey Buckingham, Nicks has played it pretty safe in her records apart from Fleetwood Mac. This album is not as gripping as her previous efforts, *Bella Donna* and *The Wild Heart*, but it has greater variety. Nicks hasn't abandoned commercial pop-rock as songs such as *Talk to Me* and *The Nightmare* attest. *I Can't Wait* and *Sister Honey* have her experimenting with hard-edged dance rhythms that use electronic percussion. In the slower songs her voice, with its strange shadings and quavering nasality, can be irksome. On *I Sing for the Things*, she sounds like a bizarre cross between Edith Piaf and Elmer Fudd. But Nicks is too smooth a pro to allow her vocal idiosyncrasies to mar the whole record. She employs talented sidemen such as guitarists Waddy Wachtel, Les Dudek and Michael Landau. Nicks herself rocks a little, and she explores some other tempos with equal polish. (Modern/Atco)—**David Hiltbrand**

Arcadia  
Roger Taylor, Simon LeBon and Nick Rhodes sound like Duran Duran

## SO RED THE ROSE

Arcadia  
Duran Duran's Andy Taylor and John Taylor made a splash with their Power Station project. Now the remaining D.D. members, Simon LeBon, Roger Taylor and Nick Rhodes, have made this album, with the ad hoc billing of Arcadia. The glossy '80s pop of *So Red the Rose* is, however, not noticeably different from the parent group's, and LeBon's sleepy vocals reinforce that similarity. At least the brightly produced single *Election Day*, with its oblique horns, compares favorably with anything Duran Duran has ever done. The same cannot be said for the rest. In all their guises, these Brits are like kids trapped in a candy store. They pick out the best studios with the best musicians (in this case, Andy MacKay, David Gilmour, Herbie Hancock and others) and include their wares. It's awfully difficult to find a bad song on this

# How NOT to pay attention:

- 1) Read Rolling Stones Magazine (or Stephen King) under your notebook, instead of taking notes!
- 2) Change and clean your contacts.
- 3) Doodle, make cartoon figures (but not of your teacher-right!)
- 4) Write notes- but not about your date the night before.
- 5) Tie the girls hair (in front of you) in knots, while she's sleeping - of course.
- 6) Redo your make-up and paint your nails.
- 7) Write down all the Lyrics to that song you heard this morning and just can't get out of your head.
- 8) Sharpen your pencil every 5 min.
- 9) Try to pass notes around to your friends without the teacher noticing.
- 10) Cover a page with the latest couples!!

## Yes I Know, BUT . . .

We've all heard (not to mention-said) that all too familiar line just seconds before we gave our excuse for not doing our homework:

- I left it on the train this morning-honest!
- My little brother made it into a sailboat and sank it in the tub.
- I was in a 10 car pile-up.
- Grandma died-again!
- Well it was in my pocket and it went through the washer and dryer and then mom stuck it in the oven and then . . .
- My dog was sick (from the homework he ate *last* night) and I had to take him to the vet. (you know physics is hard to swallow!!)
- You never SAID it was due TODAY!!!!

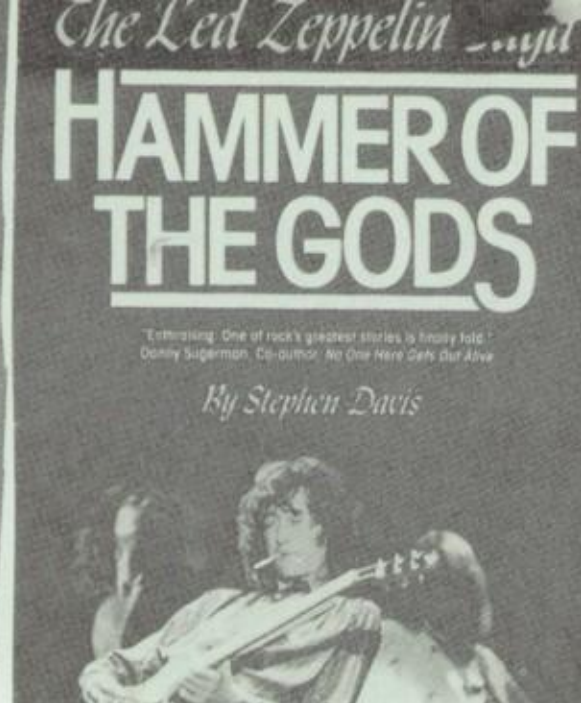

he would-be censors took their crusade to Capitol Hill, rock & rollers turned the music's influence and energy toward positive change. And they did it their way. Bob Geldof showed that a benefit for a worthy cause can also be a great concert. The passionate performances at Live Aid — from U2's "Bad" to Mick Jagger's duet with Tina Turner — carried it off, in the rock & roll tradition, with high energy and style.

**BRYAN ADAMS**

It was a bad year for David Crosby.

## DAVID CROSBY

David Crosby spent the year at the turning point. Facing the consequences of a string of drug- and gun-related arrests, Crosby took a revolving-door attitude toward rehabilitation centers, walking out at the first opportunity. Still confronted by the possibility of hard time in the Texas state penitentiary, Crosby performed with **Stephen Stills** and **Graham Nash** at Live Aid and embarked on a **CSN** tour.

It all started when a group of women, led by **Susan Baker**, wife of the secretary of the treasury, and **Tipper Gore**, the wife of the senator from Tennessee, formed the Parents Music Resource Center (PMRC). The PMRC's primary goal was to persuade the record industry to adopt a lyrics ratings system similar to that used to rate motion pictures.

**Stanley Gortikov**, the president of the Recording Industry Association of America, said that screening 25,000 songs a year was possible. Yet fearing opposition, the PMRC would thwart legislation granting royalties to the record industry on the sale of blank tapes and tape recorders, twenty-four record companies agreed to place label reading "Parental Guidance Explicit Lyrics" on their products.

The PMRC was dissatisfied and made further demands, including the printing of lyrics on record jackets. Gortikov maintained that PG labeling was as far as the industry was willing, or able, to go.

he music was everywhere. Live Aid's worldwide telecast and Bruce Springsteen's massive tour brought the best of rock & roll to a wider audience than ever before. This year, it became clear that rock not only is an essential part of our culture but speaks for social good.

# IN MEMORIAM OF GREG NASTASI

Feelings are very important to me and I try not to overlook my own or those of others.

We share the pain we each experience as well as the good times.

One can never solve an emotional difficulty without searching for what one may think is not there.

"The leader of the band has died, but his blood runs through out instruments and his song is in our soul."

"I don't know, don't really care, let there be songs to fill the air"

GREGORY T. NASTASI

Born: June 3, 1968

Died: March 3, 1986

June 3, 1968 - March 3, 1986

"Listen to the river sing sweet songs to rock my soul!"

"Going down the road feeling baaad"

"If you can't be with the one you love, love the one you're with"

"Walk me out in the morning dew, my friend"

The meaning of life for Greg was one of enjoyment and never ending excitement for himself and those around him. Although some didn't understand his individualism and some never will, those who appreciated what he had to offer will always have a special part of him in their memory. His presence, in or out of school, made things more lively and bright. Through his interesting and unique personality he brought people together. No matter what life dealt him he always came through with a smile which quickly spread throughout his friends. It is hard to face the reality that he is gone but his memory will live on in all of us who knew and love him. His ideas, at times were radical, but always brilliant. Intellectually he was on such an intense level that it was not always easy to relate to him, but those who did respected him for it. Once you broke through his outer appearance his complex being became one of a loving, caring and fun personality. It is not a time to ask why for we shall never know, it is a time to interpret in your own way how to expect each day for what it is worth. Although life for Greg was short he lived every day to its fullest and because of this we will always remember him not only for his work but also through his expressions. "There is a road no simple highway between the dawn and dark of night and if you go no one will follow that path is for your steps alone . . ."

THANKS GREG FOR ALL YOU'VE GIVEN US  
WE MISS YOU AND LOVE YOU!!!

●   ●   ●   ●   ●   ●   ●   ●   ●   ●

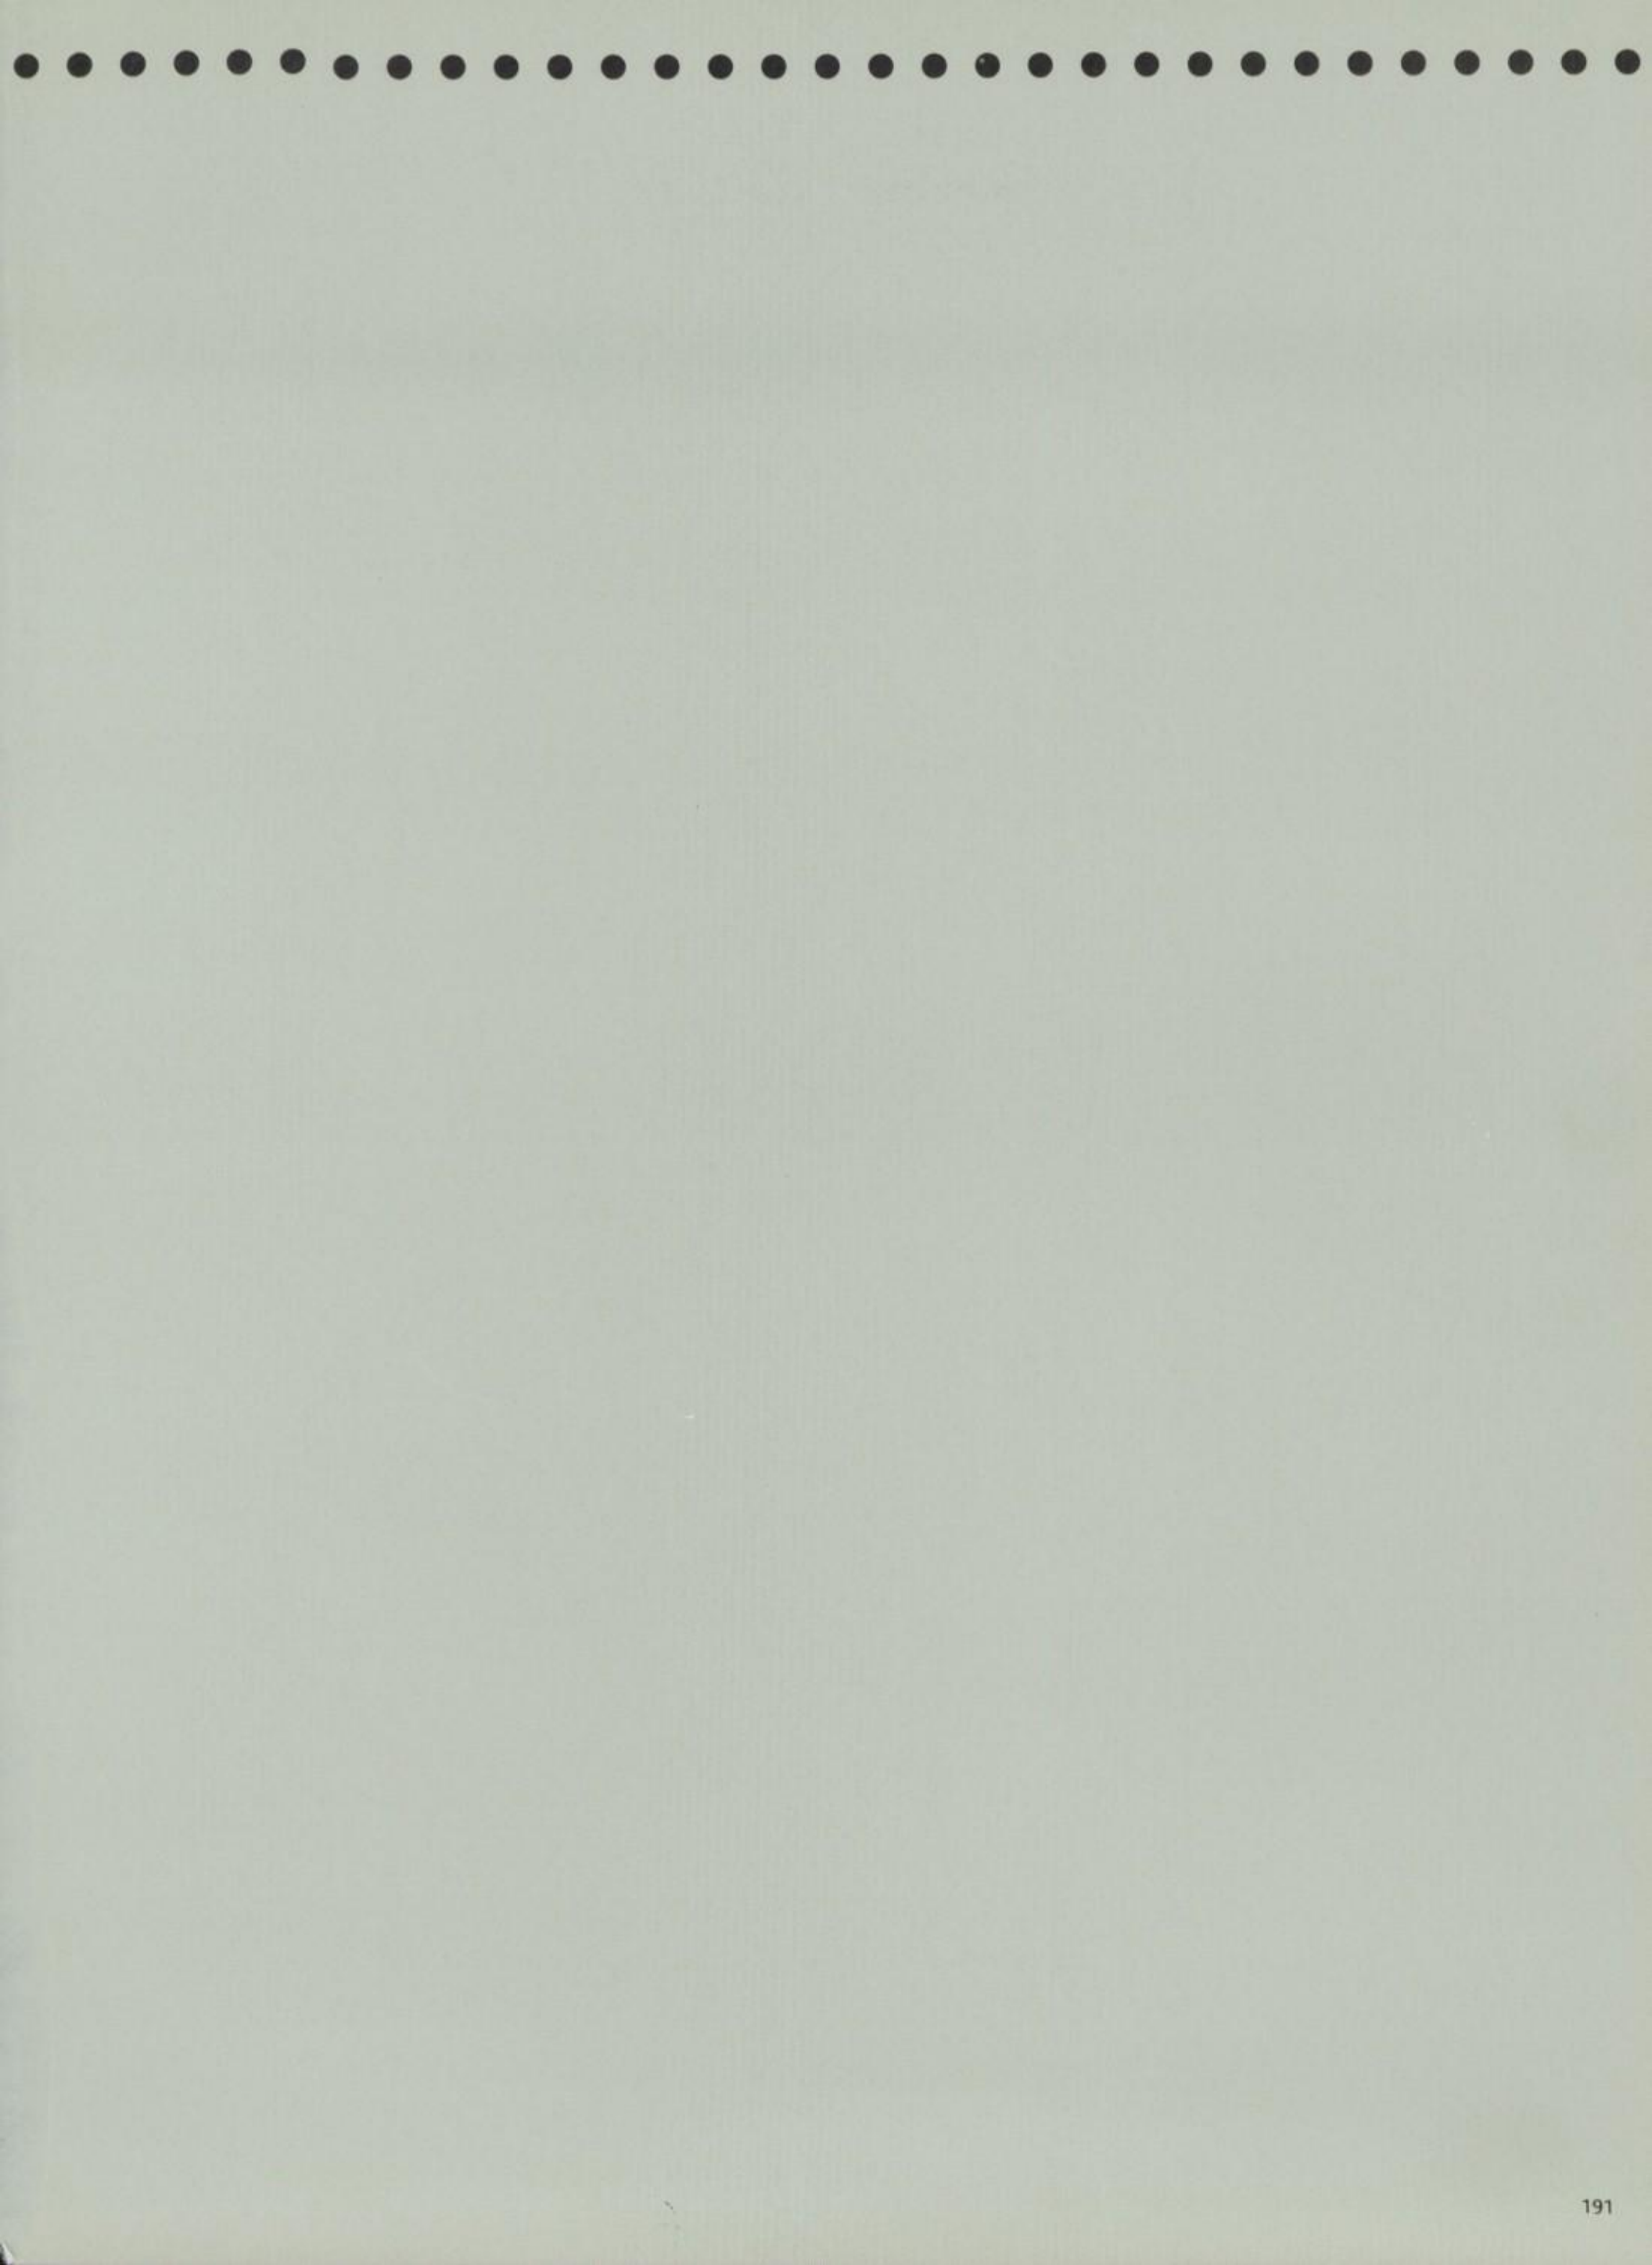

Wasn't life simple then?  
When we were 8 and 9 and 10?  
We believed the circus clown was real  
And sometimes feared the ferriswheel.  
Our skinned-up knees and knotted hair  
needed Mother's special care.  
Then as we grew we glimpsed at life  
and saw our parents' pain and strife.  
We clung to them and our school-day pals  
And it began to change somehow.  
Those things that seemed so real and safe  
Were staring us right in the face.  
Scowling, Scorning, correcting our wrongs  
They wanted us to grow secure and strong.  
So as the years passed we accepted this task  
And they answered the questions we thought of to ask.  
Our teachers, our friends, our parents and such  
They gave their support but not too much.  
But still life was so simple, a warm place to sleep  
And as we grew older we saw it not cheap.  
So we plan to make money, dream of our friends.  
Great plans for the future and then it all ends.  
Our big senior year and obligations to meet.  
We see less of our friends and it all seems less neat.  
Time passed quickly and with it remorse  
And this is what we wanted, of course,  
Just to be eighteen and do what we please.  
Now that puts us ill at ease.  
We are leaving the halls that taught us so much  
Along with our family's sheltering touch.  
Friends will depart in search of their dreams  
As tears of loneliness down our face stream.  
It's time for us now to go it alone  
No longer a time to "get your tail home."  
Look back on the times you laughed and you cried,  
And then you might realize how hard you tried.  
But, yes, we can do it like the rest  
Because '86 . . . . . we are the best!!!!!!!!!!!!!!

And so, as all chapters do, this one has come to an end. But the story continues. Because this is the story of a legend. A continuing legend. A legend of pride, of honor, of ambition and of achievement. It is a legend of grace and triumph. Of spirit, and of character. It is the legend of you. You . . . a Conestoga Pioneer. From the day you walked through those glass doors, to the day you descended from the stage, diploma in hand, ready to reach your goal, this has been your story. Your story of what it means to be on top. Your own chapter, in the legend, of the PIONEER!

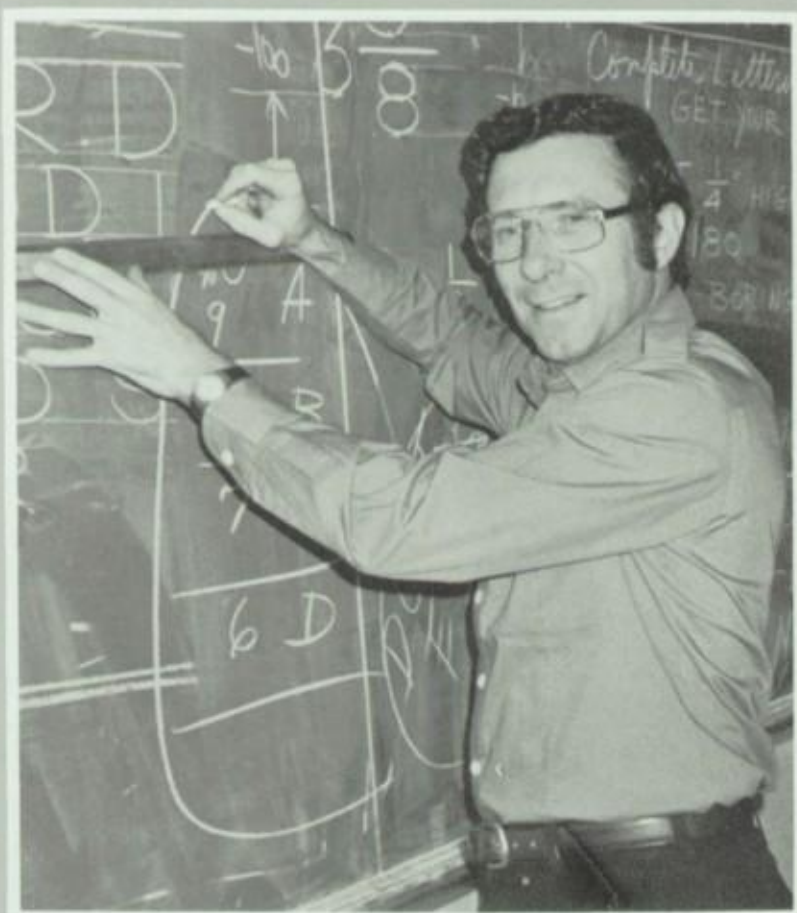

# In Memorium

1937-1986

How many students have been through the portal of John Beck's classroom over his twenty-two years of teaching? Five thousand? Six thousand? These numbers seem awesome, nearly four times our present population. Well, it is not the numbers John Beck instructed, numbers are impersonal and that was the least attitude of Mr. Beck. Thousands of students were touched by his firmness, his fairness, his deep insight into life and its people and, of course, they were also treated to his rich sense of humor. He was a grand educator and a memorable friend to his colleagues and students past and present. We'll miss John Beck and think of him often.

December 3, 1937 - April  
2, 1986

Mr. Esposito, he touched all our lives in so many ways. From those who sat before his camera to those who were students in his classes, he will be remembered. Everybody was somebody to Mr. Esposito. He was always there when his students or colleagues were in need. Mr. E, as so many of us called him, will most certainly live on in our memories.

This year's *Pioneer* staff is grateful to the so, so many times Mr. Esposito bailed us out with an emergency picture or last minute developing. This yearbook will be a constant reminder of how Mr. E. always put others first. This staff and those of the past will miss him.
